Get in on the PROFITS in SMALL ENGINE service and repair

BEAT INFLATION!
Cash in on the huge demand for small engine repair.

Work part time, full time right at home - we help you every step of the way.

Start your own money making business!

In just a short time, you can be ready to join one of the fastest growing industries in America... an industry where qualified men are making from $10.00 to $15.00 per hour...and that's just for labor. Parts, engines and accessories add even more to the profits.

Because the small engine industry has grown so quickly, an acute shortage of qualified Small Engine Professionals exists throughout the country. In fact, it's not unusual for a good small engine man to be three to four weeks behind in the summer and at least a week behind in the winter. When you see how many small engines are in use today, it's easy to understand why qualified men command such high prices—as much as $17.50 for a simple tune-up that takes less than an hour!

46-million small engines are in service today!

That's right—there are over forty-six million 2-cycle and 4-cycle small engines in service across the U.S.A. That's the official count from the Engine Service Assn., and new engines are being built at a rate of one-million per month! With fully accredited and approved Belsaw training, you can soon have the skill and knowledge to make top money servicing these engines. Homeowners and businessmen will seek you out and pay you well to service and repair their lawnmowers, tillers, edgers, power rakes, garden tractors, chain saws, mini-bikes, go-carts, snowmobiles, generators, snowblowers, paint sprayers... the list is almost endless.

No experience necessary.

You don't need to be a 'born mechanic' or have prior experience. If you can read, you can master this profitable trade right at home, in your sparetime, without missing a single paycheck. Lessons are fully illustrated—so clear you can't go wrong.

You receive trade secrets and business plans.

We guide you every step of the way, including tested and proven instructions on how to get business, what to charge, how to get free advertising, where to get supplies wholesale... all the "tricks of the trade"... all the inside facts you need to assure success right from the start.

Increased Income

"I've had about 8 years experience repairing small engines... but repairs were only minor... until I started the Belsaw Course."

Or, you can select low-cost plans from over 50 other homes specially selected by NRI.

my method of DYNAMIC-TENSION starts giving you results you can *feel* and your friends will *notice*. Big, useful muscles. Gain pounds in weight where needed. Lose "pot belly." Take a good honest look at yourself! Are you proud of your body – or are you satisfied to go through life being just "half the man" you could be? No matter how ashamed you are of your present physical condition – or how old or young you are – the "sleeping" muscles already present in your body can turn you into a REAL man! Believe me, I know – because I was once a skinny, scrawny 97-pound half-alive weakling! People used to laugh at my build and make fun of me. I was ashamed to strip for sports or the beach . . . shy of girls . . . afraid of healthy competition.

WIN THIS VALUABLE TROPHY

HOW I CHANGED FROM A 97 LB. WEAKLING TO A REAL MAN.

One day, I discovered a secret that changed me from a timid, frightened scarecrow into "The World's Most Perfectly Developed Man" – a "magic formula" that can help turn *you*, too, into a marvellous physical specimen . . . a REAL man from head to toe . . . a man who STANDS OUT in any crowd! What's my secret? "DYNAMIC-TENSION" – the natural method! No theory. No gadgets or contraptions. You just do as I did. Simply take the "sleeping" muscles already present inside your own body – build them up – use them every day in walking, bending over, reaching, even sitting! Almost before you know it, you're covered with a brand-new suit of beautiful, rock-hard SOLID MUSCLE!

WIN AT THE TRACK!

You Can Win $500 To $1,000 At The Track!

You probably think that you're pretty good figuring the horses — but can you win 8 or 9 out of 10 races day after day? No racing system can give you that kind of winnings constantly, but our space age WINNING CALCULATOR can!

You've read of this calculator in many of the major magazines and newspapers. It's a major breakthrough for bettors who want to win big every time they bet. This WINNING CALCULATOR is perfect for both on-track and off-track betting.

There are no real secrets or systems for beating the horses, but you can be a winner by letting our WINNING CALCULATOR do all the work for you. No more late hours going over the forms; just put the information about each race into the WINNING CALCULATOR and you'll come out a winner 8 or 9 times out of every 10. (There are always some variables that will make it impossible to win 100% of the time.)

You might wonder why anyone would part with this information and not keep it all to themselves. The WINNING CALCULATOR has been designed by a world-famous scientist whose hobby has been horse racing for over 25 years. Naturally, he isn't able to be at every track for every race, but he developed the WINNING CALCULATOR to help the average guy (or gal) beat the track.

You've seen similar calculators sell for $50 to $150 — but our amazing WINNING CALCULATOR is being offered for just $29.95. Your winnings from just one race will more than pay for the calculator.

100% FULLY GUARANTEED!

Your WINNING CALCULATOR is 100% guaranteed for parts, labor and workmanship for a period of 12 months. Other calculators are guaranteed for from 30 days to 3 months. We will repair or replace any WINNING CALCULATOR returned to us for repair at absolutely no charge.

$100 REWARD!

Write us about how the WINNING CALCULATOR helped you to win at the track and we'll give you $100 if we use your story (we won't use your full name, of course; just your initials).

SPECIAL OFFER!

Want to win at any casino in Las Vegas, Atlantic City — or worldwide? You'll learn how to win like the professional gamblers do, at roulette, craps, poker, blackjack, keno, etc. Our hardcover manual has over 150 pages and contains 3,000 proven ideas and systems for just $29.95 — that's less than 1¢ each!

☐ **YE$!** Send me my WINNING CALCULATOR for $29.95

☐ Send me my WINNING AT CASINOS hardcover manual for $29.95

☐ **SAVE!** Send both for only $49.90 (a $10 savings)!

SO TOUGH?

If Sgt. Slaughter is such a tough wrestler, why does the name "Gomer" hurt him so badly? You don't see men like Stan Hansen, Hulk Hogan, The Moondogs, or Ken Patera act like that when they get booed.

I think the other wrestlers in the WWF are mentally tougher than Sgt. Slaughter. I think if Sgt. Slaughter tried to put his cobra clutch on a real good wrestler like Tony Atlas or Bob Backlund, he would probably lose.

Shape up, Slaughter, or someone is going to beat you.

TIMMY McKENNA
Laurel, MD

Arnold Skoaland attacks from the rear as Sgt. Slaughter applies his Cobra. Readers Timmy McKenna and Ken Dzienis have differing opinions on the Sergeant.

OR UNFAIR?

I think the fans in the WWF are being a little too unfair to Sgt. Slaughter. On a recent televised match, Slaughter refused to wrestle an opponent because the fans were calling him "Gomer" and driving him crazy.

But I think Slaughter will show all the fans he is the best wrestler in the WWF when he defeats Bob Backlund for the WWF championship and Pedro Morales for the Intercontinental title.

LEN DZIENIS
Stratford, CT

RULE THE WORLD

Why do ying-yangs like Bugsy McGraw bother standing in the path of Baron Von Raschké? Isn't it inevitable to all who watch wrestling that Von Raschke is destined to rule the world? No man has ever been born who could compete with the Baron. His skill and cunning make him the ruler of the world.

Baron Von Raschke is far superior to any wrestler and should one day rule the world, writes Melinda Edwards.

And I feel sorry for Von Raschke that such obvious mediocrities as McGraw try and block his way. Bugsy should simply step aside and accept the inevitable, that Baron Von Raschke is the greatest wrestler or man who ever lived.

If you sincerely want to gain weight, and to look better and feel better as a result,

HERE IS OUR OFFER . . .

We honestly believe the GAIN Plan to be the finest and most effective product of its type sold anywhere in the world today, and to prove our confidence, we are backing that statement up with this honest, straightforward offer . . .

Try the fabulous new GAIN Plan in your own home at our risk. Subject it to any test you like. Weigh yourself before you start. Weigh yourself later. If you haven't started to see substantial weight gain within 7 days, and if you don't feel better and look better as a result, or, if you are not completely satisfied for any reason, PAY NOTHING! It's just as simple as that.

If you are in doubt . . . even if you think nothing can possibly help you, for the sake of your appearance, and your happiness, at least try it! If the GAIN Plan works the way we know it will, you'll agree it is worth the few dollars it cost.

On the other hand, if it doesn't work the way you expected, it costs you nothing, and a least you have had the satisfaction of trying it at our expense.

What could be fairer than that? The next move is up to you. Once and for all, determine to do something about your underweight! We know you'll be happy you did.

LOU THESZ: "I CAN'T GET WRESTLING OUT OF MY BLOOD"

LOU THESZ JUST couldn't take it anymore. It was hard for him to watch others compete in a sport he helped pioneer. It was difficult for him to listen to the boasts and threats from men he considered less skilled than himself.

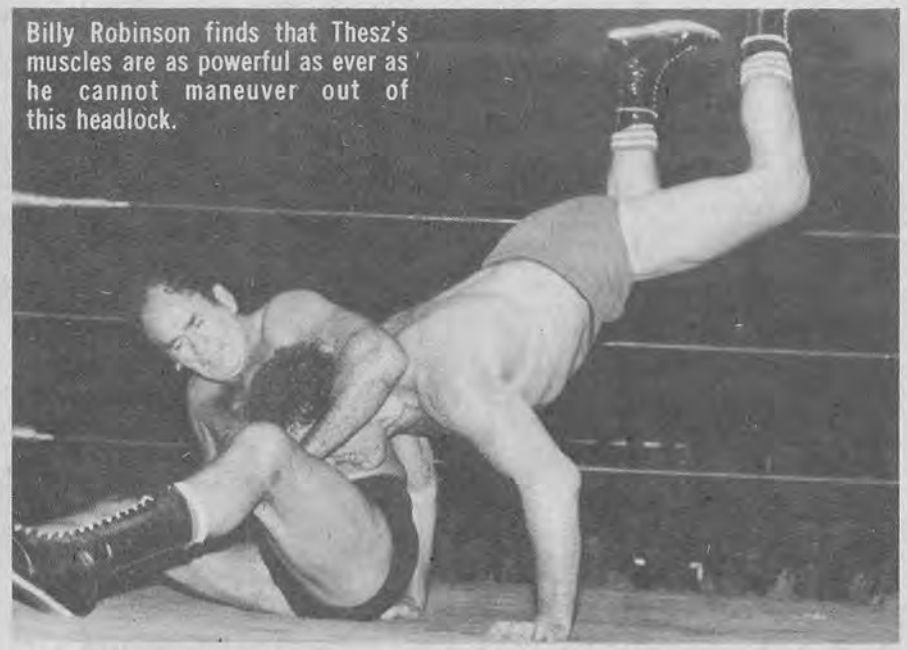
"I can't get wrestling out of my blood," said Thesz, explaining why he has made a comeback against CWA champion Billy Robinson.

The six-time NWA champion first started wrestling professionally in 1933.

"I was 17 when I first broke in," recalled Thesz. "That was the height, or depths if you will, of the Great Depression. I was a big, strong kid with a dream, a dream of winning the world championship of wrestling. And I was prepared to do what I had to do in order to realize that dream."

Thesz had to wait four years for his dream. In 1937, Thesz captured the world championship.

"Wow, that was really something else," said Thesz. "I felt like I was on top of the world. I couldn't imagine a greater feeling and, all these years later, nothing can compare with that first championship, that first real triumph."



Billy Robinson finds that Thesz's muscles are as powerful as ever as he cannot maneuver out of this headlock.

Thesz, whose career has spanned nine presidential administrations, established his legendary status as a master of scientific wrestling.

"I could never respect a man who resorted to senseless brutality," said Thesz. "To me, a

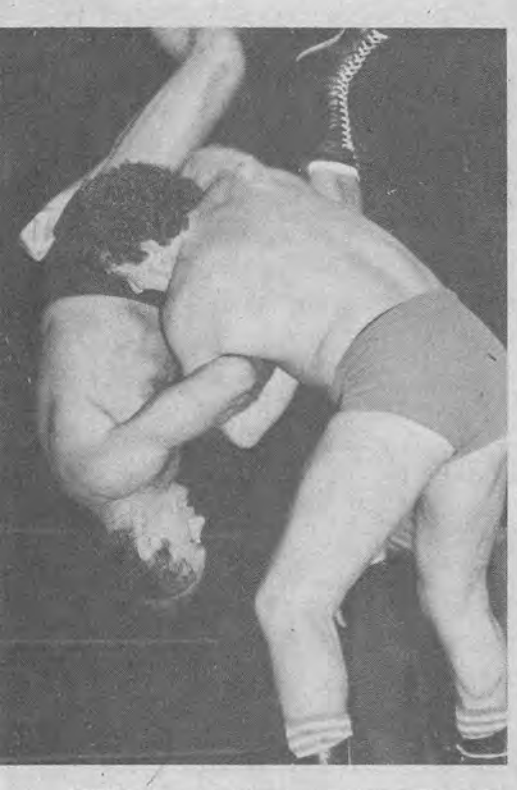
LOU THESZ

(Continued from Page 14)

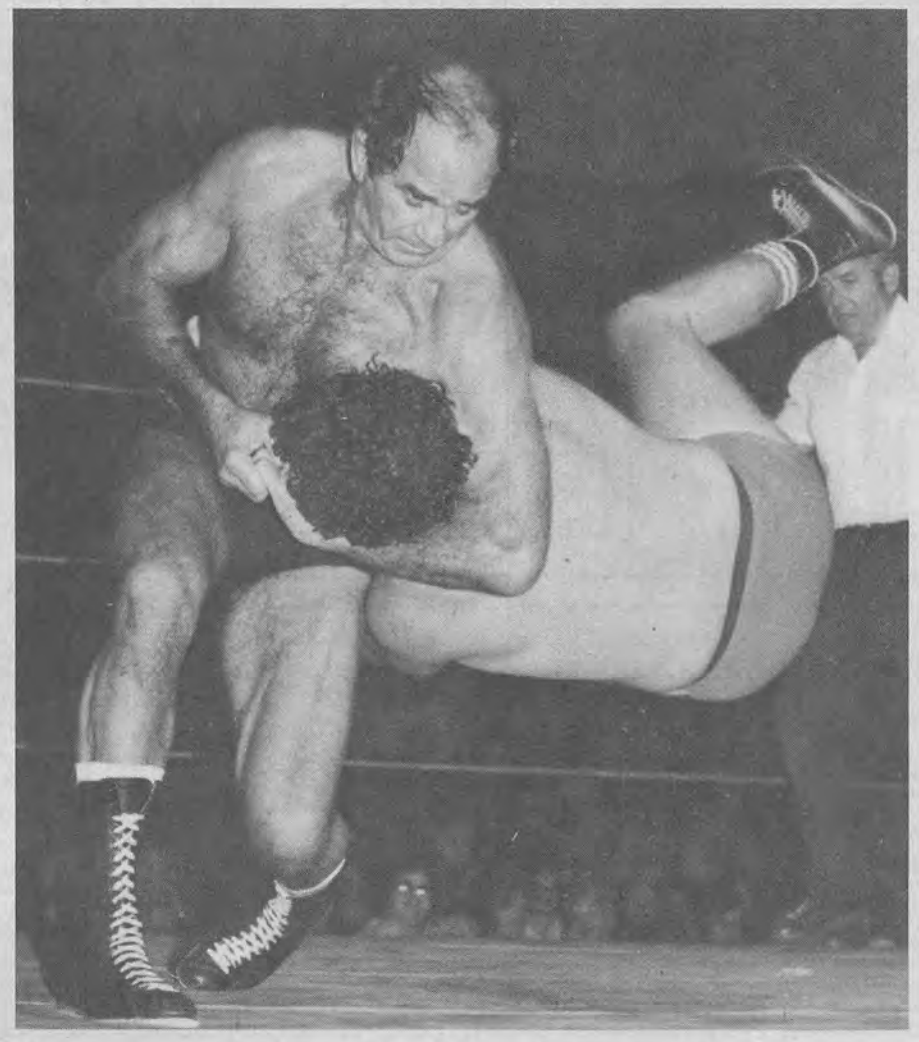


man who had to use illegal tactics or gouge someone's eyes or introduce a foreign object mocked this great sport and I could never, nor would I ever tolerate that kind of conduct."

So Thesz decided, at age 65, to come out of self-enforced retirement. He couldn't stand the agony of sitting and watching others.

"It would drive me up the wall," said Thesz. "I just would pace around the house and drive myself and everyone around me insane with my constant mutterings.

No, Lou Thesz did not break into little pieces when he was bodyslammed by Robinson (left). The man can still take punishment, and he can still inflict punishment as he brings Robinson to the canvas by his head (below).



"I'm not the sort of man who can lay back and watch others. I've never been a particularly good spectator. I really enjoy the physical combat of the sport and all the physical and mental challenges a good, solid wrestling match demands of a man.

"When I made this decision, I knew I would only want to come back against a man I could respect. I didn't want any of these loud-mouths with their pretty hair and faces always yelling without ever trying to back up their words with action.

"I wanted a man I respected, a man whose life in wrestling has been somewhat like mine. That is why I chose Billy Robinson."

Throughout his own distinguished career, Robinson has applied his considerable talents to the mastering of scientific wrestling. And one of his idols?

"Lou Thesz, for sure," said Robinson. "Anyone growing up in wrestling always admired, even idolized Thesz. He is a remarkable man. I have to admit the prospect of wrestling against him awed me a bit. It isn't the easiest thing in the world to wrestle your idol.

"But I was prepared. I didn't want Thesz to think I hadn't learned anything from watching him over the years. I wanted to prove to Thesz that I was a worthy student of his amazing craft."

Their match was a textbook example of scientific wrestling. The crowd literally oohed and ahhed as both men displayed scientific wrestling maneuvers with grace and genius.

"Yes, I'm real happy I came back," said Thesz. "It's something I had to do to restore my peace of mind."

As for Robinson, he just shook his head.

"Isn't that Lou Thesz something else?" □

On this one night, Dick Slater proved he could be a brilliant scientific wrestler (above and left). It was truly a great moment in wrestling history!

THERE'S SOMETHING ABOUT a smile on Dick Slater's lips that makes you take two steps back. It's also a good idea to check for a knife between your shoulder blades.

There's no way Slater can be trusted. The man's loyalties change on a moment's notice. In fact, you can't even trust him to be dishonest!

"They're coming to boo me, eh?" Slater asked before his match against Dino Bravo. "The fans think I'll be cruel and ruthless and all those other things that make them feel morally superior. They enjoy that, don't they? Well, don't let anyone say I gave those morons what they wanted."

No one knew what Slater meant, which is about par for the course where Dick is concerned. All you can do is sit back and see what he does.

Dino Bravo heard of Slater's strange vow about 10 minutes

All they had in common were superb athletic ability and the will to triumph. When Dick Slater battled Dino Bravo, the best and worst of wrestling ignited into a blaze of excitement

Dick Slater vs. Dino Bravo

A NIGHT TO REMEMBER

before the match. The report was greeted with laughter.

"You have to be crazy to worry about what Slater says," Dino explains. "The man is a walking contradiction. All that matters is what happens in the ring. He's so confused, half the time he doesn't know what he's saying."

Shortly thereafter, the two men were standing at opposite ends of the wrestling ring. Slater still had that evil smile etched on his face. Bravo appeared not to notice, although in reality, that would have been impossible. There was a horrible fascination there that commanded attention.

The match began. Slater was cautious, controlled, intelligent. It was clear Dino was waiting for the explosion. So were the fans. Slater kept them waiting.

Instead of brawling, Dick executed brilliant scientific maneuvers. Bravo was stunned. It took him almost a minute to see what was happening. Slater was wrestling legally! Dino decided to respond in kind. The fans were at first confused, then awed by the magnificent display of wrestling greatness.

Slater was superb. Every move was classically brilliant. His armlocks were executed with the slithering strength of a boa constrictor. His elbow-smashes were exquisite in their form and power. Fans were gaping at his agility, speed, and strength. But how can you boo greatness?

Once he understood Slater's tactics, Bravo met him in kind. Never has Dino's intelligence been so apparent. He out-thought rather than out-wrestled Slater. Dino anticipated Slater's strategies with the speed of instinct and countered beautifully. Slater kept trying elaborate plans only to have them thwarted by Bravo's defenses. Still, Dino couldn't get a sustained advantage. Slater's grappling was much too fine.

This was a great scientific match, just the kind nobody expected to see. Slater was fooling everyone. Yet, Dick wasn't winning. Any moment now, he'd get desperate and start cheating. That's the nature of the man.

But Slater is renown for going against his nature. Throughout the match, he maintained a scientific stature. Nobody could hate the man. They had to respect him. Did it make them angry! Slater couldn't have been happier.

His real opponent wasn't Bravo but the fans. He wrestled Bravo to a draw, but he convincingly defeated the fans. It's just like Slater to do something decent only when it gets people angry.

After the match, the fans cheered both Bravo and Slater. They had seen wrestling at its best. This was what the true meaning of the sport should be all the time. Slater ignored the

ovation and went quickly back to the dressing room. He couldn't care less about the crowd's reaction. All he wanted was that there be no boos.

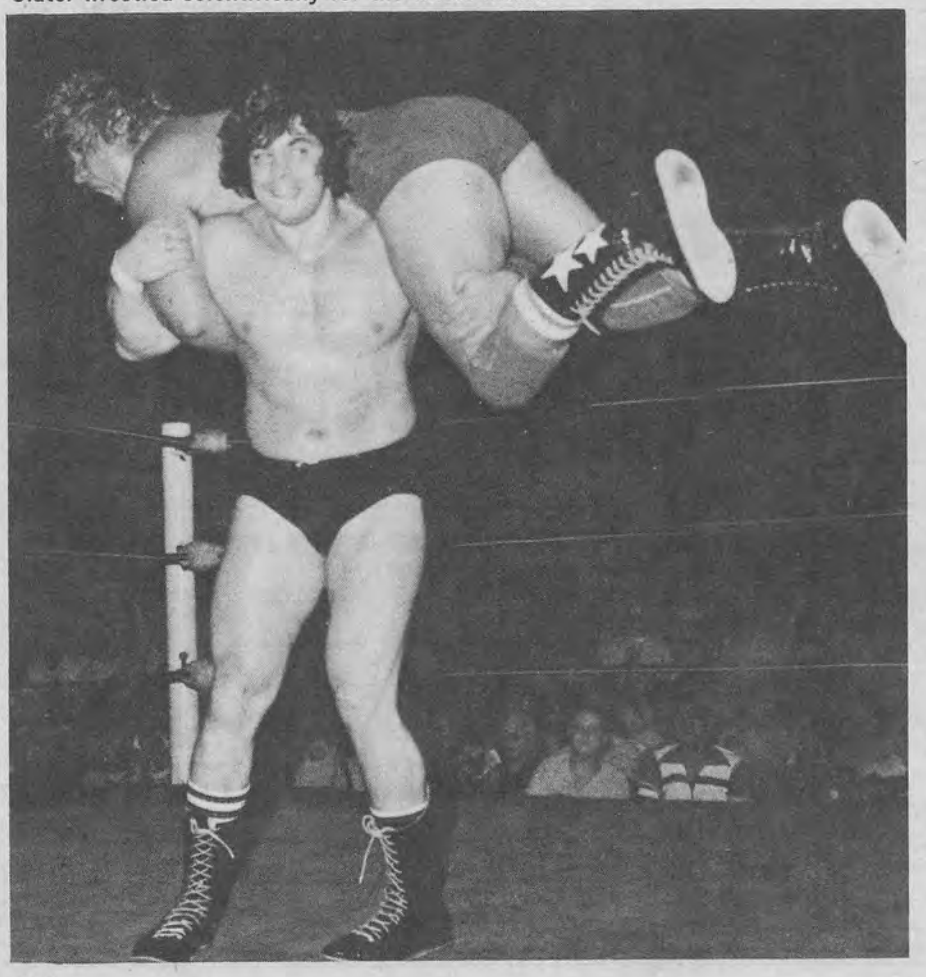
Reporters rushed to his dressing room after the match. "Is this a new era for Dick Slater?" they asked him.

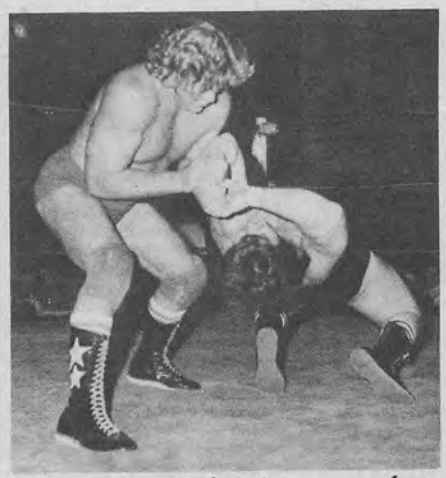
"I do what I want when I want," Slater responded snidely. "Nobody has a right to know what I feel. My plans are my own. If I want to break every rule in the book during my next match, that's up to me. You'll just have to be there to watch."

Other questions were asked and not answered in the same manner. Slater was giving away nothing. Few men hate the public as deeply as Dick. When someone asked him why he despises the press and fans, he stormed out without answering.

Dino flips Slater hard to the canvas with amazing ease. Slater was able to recover from this and launch his own assault.

Dino Bravo picks up Slater (above) to put him in an airplane spin (below). These two young wrestlers both wrestled brilliantly on this night, much to the delight and amazement of the fans, who expected Dick to resort to his usual rulebreaking ways. Slater wrestled scientifically for the whole match.





Bravo bridges trying to escape from Dick's armlock late in the match. Slater nearly succeeded in winning with this move.

As for Bravo, he was delighted with the evening, saying, "This is why I became a professional wrestler. I was extended to my limits, forced to be as good as I can be. That's where the magic of sport comes in. This is when an athlete feels most alive!"

As for the fans, they were deprived of booing Slater. They couldn't have been happier about it. □

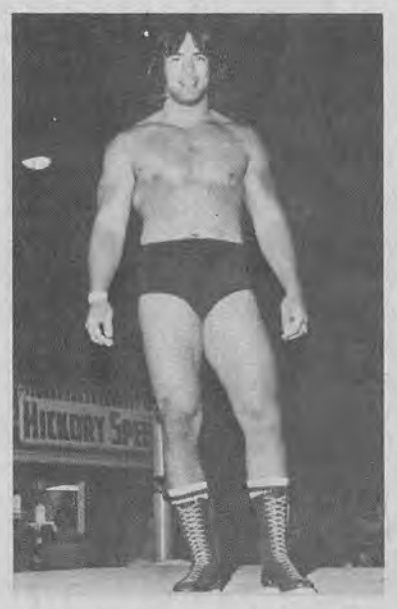
U.S. Champion Roddy Piper: THE GLORY THAT SHOULD BE RICK STEAMBOAT'S



Rick Steamboat is a man in turmoil. Pleased he has finally conquered his ferocious temper, Steamboat must now learn how best to apply his new-found philosophy while still maintaining his instinctive aggressiveness. Nothing illustrates Steamboat's current confusion more than his recent match against U.S. champion Roddy Piper

RICK STEAMBOAT IS one very confused young man. Throughout the early part of his career, in fact, up until very recently, Steamboat often succumbed to his own violent temper.

"I was a wild man," admitted Steamboat.

Steamboat was disqualified from matches at an alarming rate. He knew he had to do something. Finally, he saw the light, embracing an Oriental philosophy which controlled his temper and enabled him to channel his rage toward more productive ends.

"I understand now," said Steamboat.

But does he really? Right now, Steamboat finds himself torn between the ambitions of his gut and the serenity of his soul. On the one hand, Steamboat wants the United States heavyweight title, currently held by Roddy Piper. On the other hand, Steamboat doesn't want to brawl in order to win that title.

"Yes, I am pleased to be Mid-Atlantic heavyweight champion," said Steamboat, stroking his newly grown black moustache. "It means a great deal to me. But I must confess I would like, even more than that, to be U.S. champion."

For quite a while, Ric Flair held the U.S. title. Out of loyalty and friendship, Steamboat never challenged Flair for the belt. Even though Flair offered.

"Flair is a fine man," Rick said. "He made an offer to give me a shot at the title. I said no."

Why?

"Because two friends should not compete for the spoils of this earth. They should seek harmony and not divisiveness."

But some believe Steamboat didn't want to wrestle Flair out of more tangible, perhaps earthly reasons. Like his temper.

"Yes, I did not want to lose my

temper, especially against my good friend Ric," confessed Steamboat. "It would have hurt me deeply to do anything which would injure a man I trust and respect and care for."

Thus Steamboat's relationship with his new philosophy is still quite unstable, an emotional struggle illuminated by his recent match with Roddy Piper.

"The old Rick Steamboat would have careened across the ring, battered away at Piper with a combination of maneuvers and just some brawling. And I would not have kept my temper in check considering his outlandlish illegal tactics," said Steamboat.

Instead, Steamboat chose to out-think Piper.

"I was not too successful," Steamboat admitted glumly.

What faces Steamboat at this moment in his career is the tendency to negate all his natural instincts. Still, Steamboat hasn't learned to effectively harness his aggressiveness. He still seems to hold back, afraid of falling into a brawling style from which he can't escape.

"I would be the first to admit my new soul has troubles dealing with the reality of certain situations," said Steamboat. "I still must carefully maintain control over my temper. I am not yet completely at one with this relationship of spiritual mind and environment."

Piper has a completely different assessment of Steamboat's ring behavior.

"I just think Steamboat is not talented and he's a chicken," said Piper. "I think he's really fearful of just climbing into the

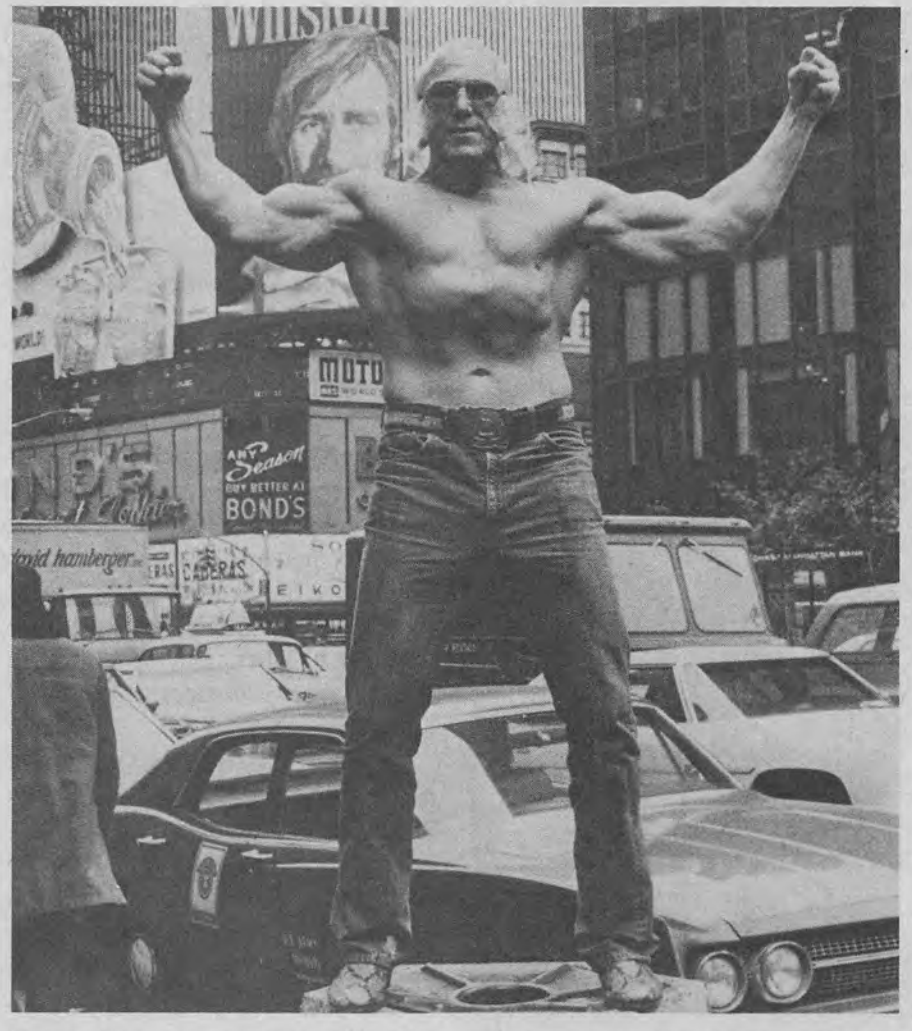
WHERE IS SUPERSTAR GRAHAM?



BY MATT BROCK

I ALWAYS LIKED Superstar Billy Graham. Don't ask me why. Maybe I just respect his total commitment and dedication to his game. Even when Graham broke heads at a record rate during his title days as WWF champion, I had a grudging admiration for him. No, Graham certainly wasn't gracious to me. In fact, I'll never forget the kindest thing he ever said to this ol' vet just after defending his title in jack-rabbit time at Madison Square Garden.

"Brock, ya ever ask me another question I'm gonna shove your pencil and pad down yer throat."

Despite Graham's lack of social graces, you have to credit him with a great career. Fact of the matter is,

What has happened to Superstar Billy Graham? Like a meteor, Graham apparently has vanished into thin air. Rumors abound as to his whereabouts and ultimate plans. Only Special Correspondent Matt Brock had the contacts and courage to track down Graham and expose the former WWF champion's shocking plan

Superstar Graham tones his massive chest muscles with bench presses (above). Graham raises his WWF belt after a sensational triumph (right). Superstar is mobbed by fans on Broadway in New York City (below).

just the other day, me and Peter King, our illustrious editor-in-chief, were wondering whatever happened to Graham. Peter's eyes brightened and he suggested I go find out.

So I did. Or tried to. All I ended up with is a string of rumors and an uneasy feeling in my gut that Graham will surface like a Polaris submarine and level an entire area. Just my gut feeling. But based on what I uncovered.

Superstar poses with his stepbrother, "Crazy" Luke Graham.

First off, Graham had been wrestling in the Tennessee and Texas areas. It was vintage Graham: boastful, brash, and brutal. Those three Bs have served Superstar well in his life. Then Graham disappeared. Abruptly, he bobbed up in CBS-TV's World's Strongest Man contest last summer, giving a good account of himself.

But all this was pretty boring so far. I wanted to find out what Graham planned on doing with his talents. And I kept running up against the same brick wall of silence. Or conspiracy.

What puzzled me was the abrupt way people responded when I asked about Graham. A friend of Graham's in Tennessee would only say, "Billy, no, I don't know what he's up to and don't bother me again."

A fellow wrestler in Texas said, "Graham does what Graham wants to do. I don't know anything about it or want to know anything

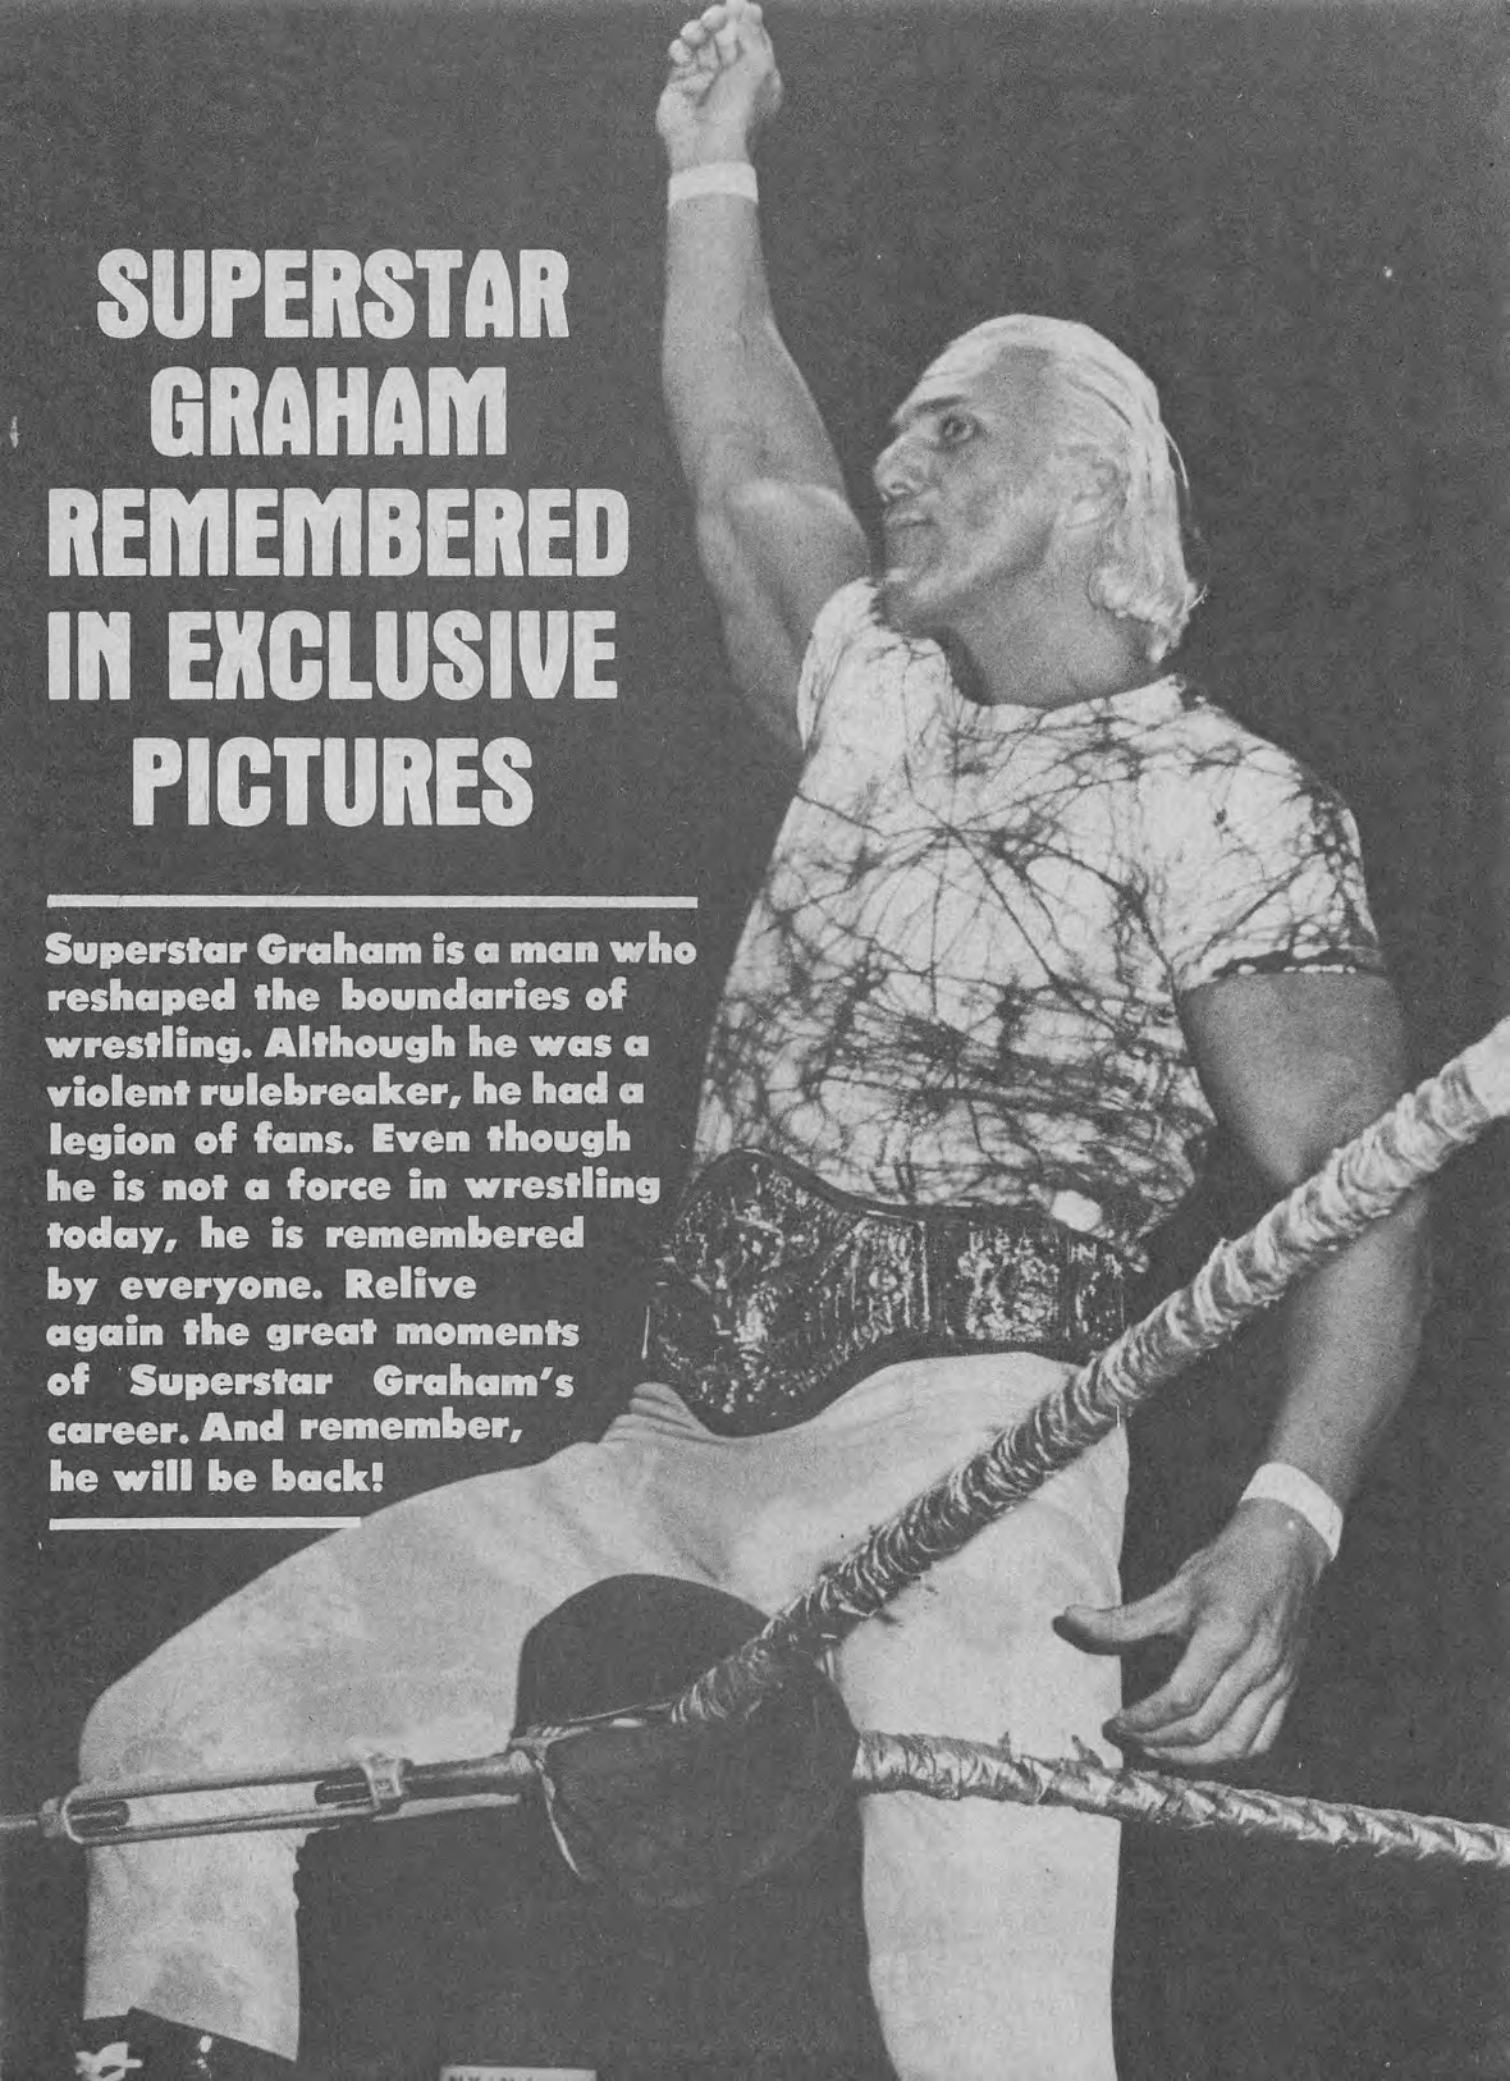
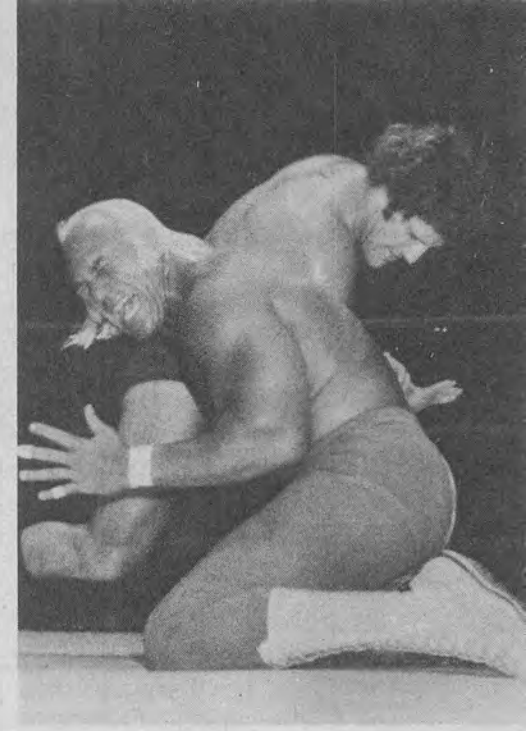
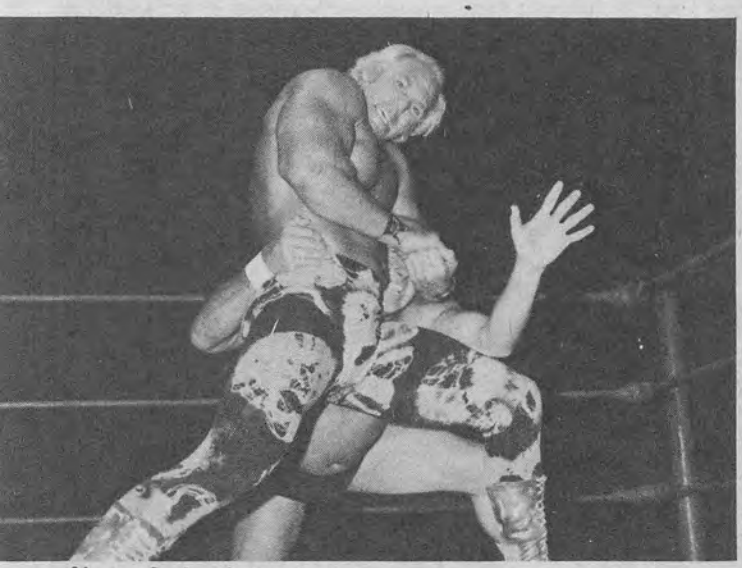
SUPERSTAR GRAHAM REMEMBERED IN EXCLUSIVE PICTURES

Superstar Graham is a man who reshaped the boundaries of wrestling. Although he was a violent rulebreaker, he had a legion of fans. Even though he is not a force in wrestling today, he is remembered by everyone. Relive again the great moments of Superstar Graham's career. And remember, he will be back!

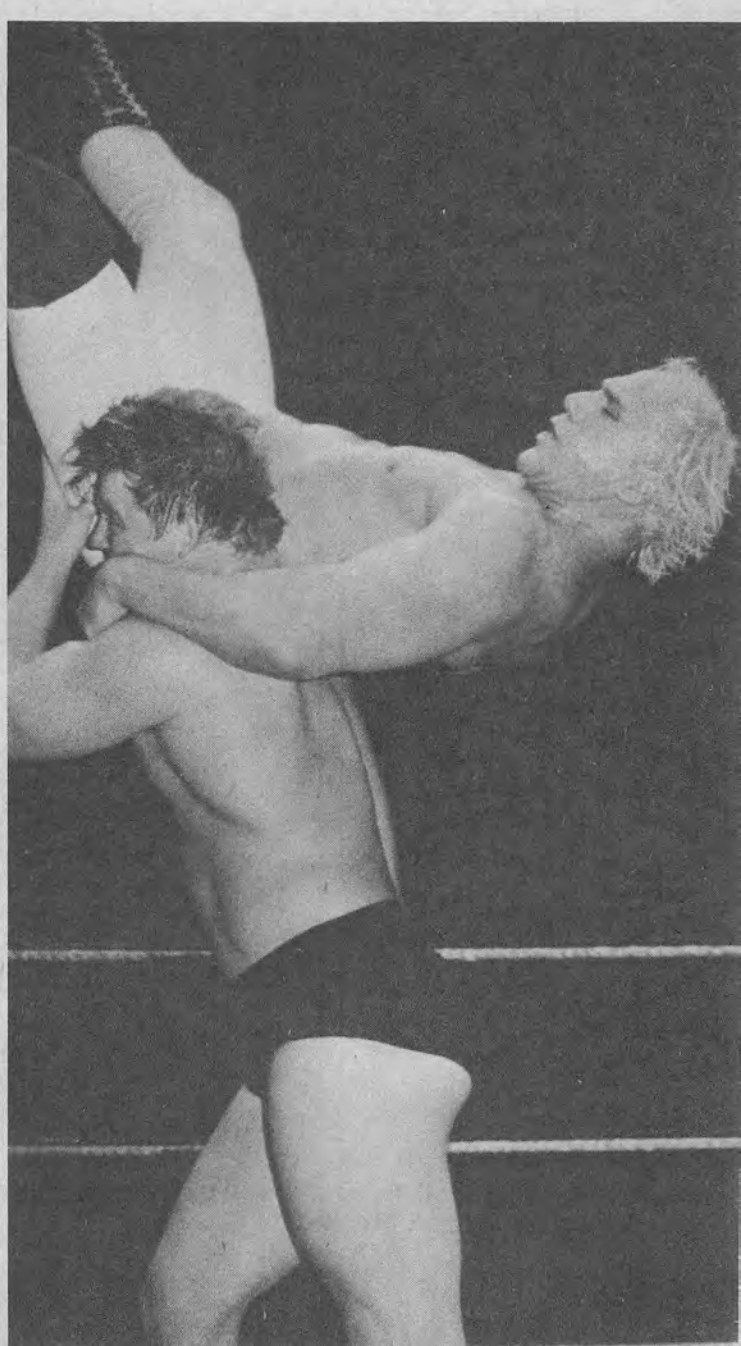


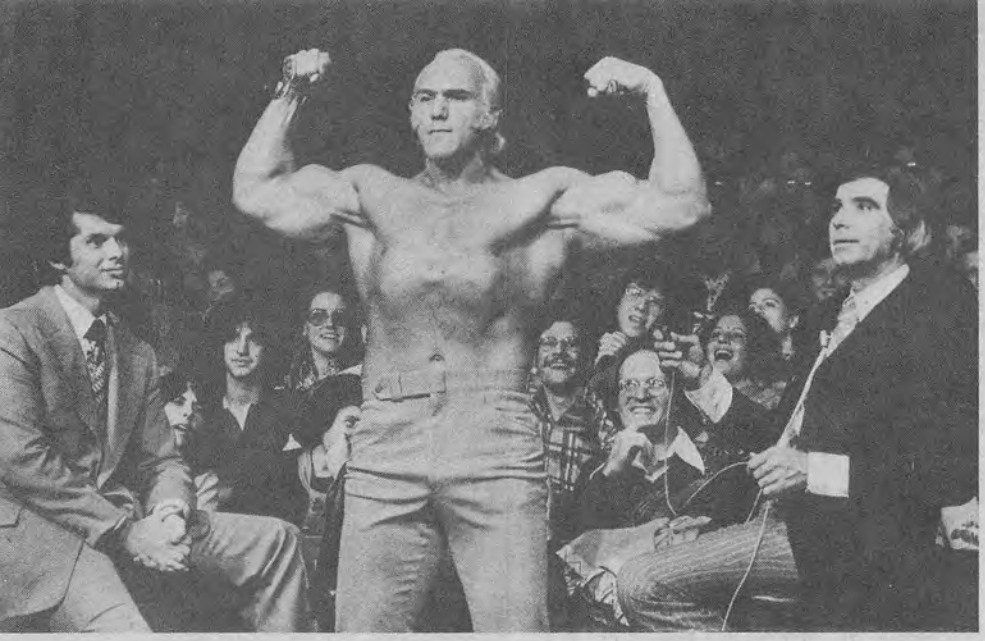


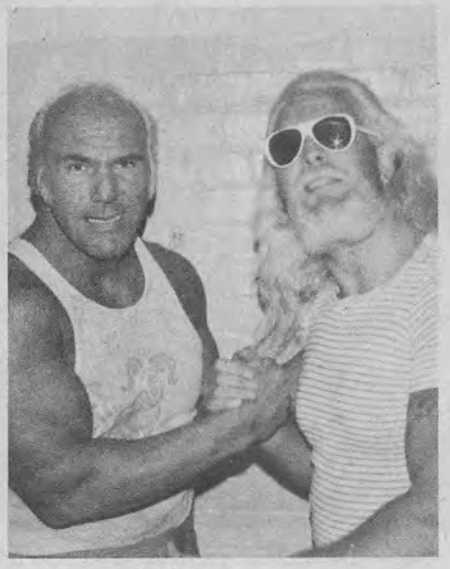
Superstar Graham has more enemies in more parts of the world than just about any wrestler. There are few people who miss him. Above: Graham is disqualified for nearly choking Blackjack Lanza to death in Houston. Right: Bruno Sammartino, one of the few men who can match Graham in strength, applies a hammerlock in Baltimore.



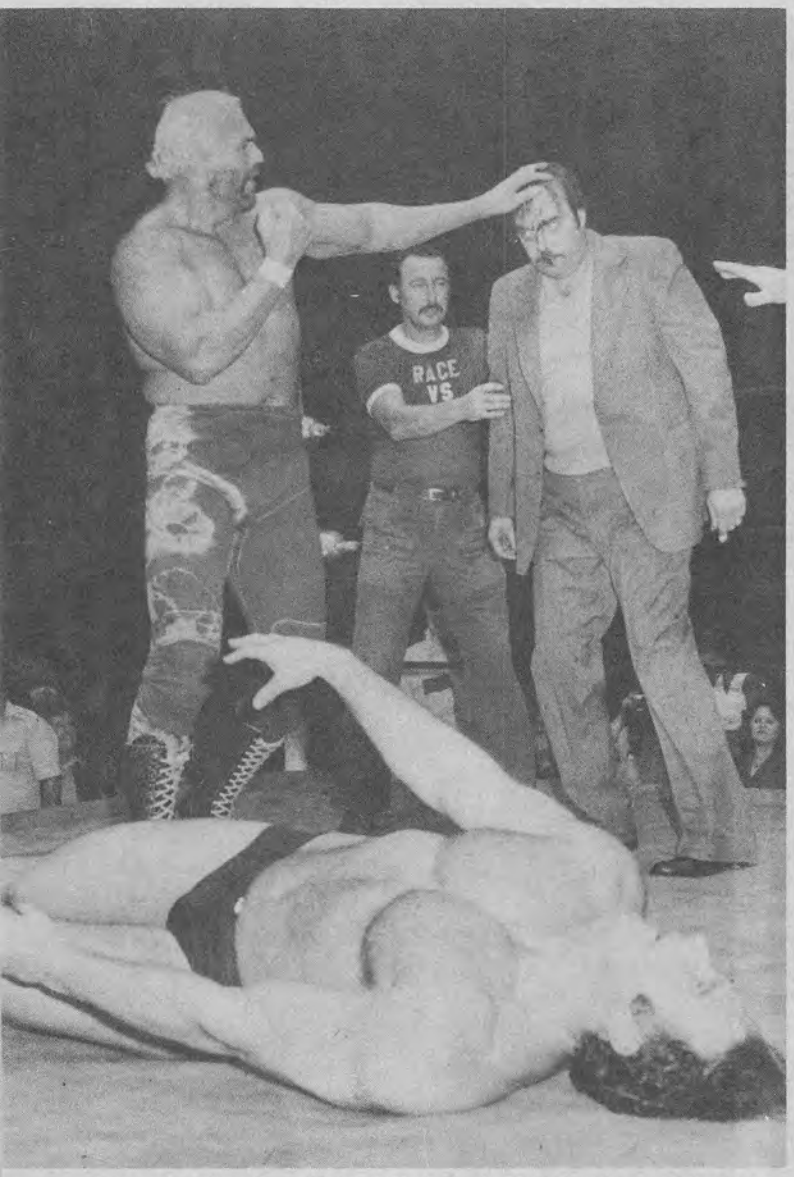
Above: Graham's headlock lowers Verne Gagne to his knees, but Superstar fails to win the AWA title in Winnipeg. Right: Bob Backlund captures Graham's WWF title in New York after executing his Atomic Spinecrusher. Below: Inoki fires a karate thrust to Superstar's midsection during a brutal encounter in Japan.





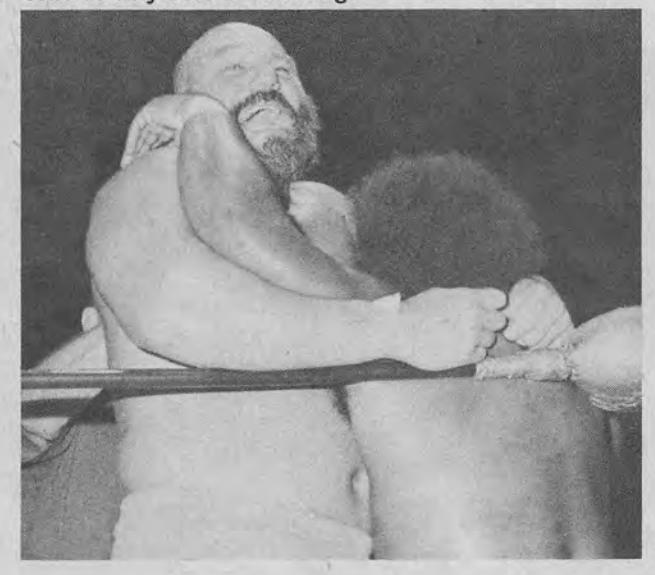


Above left: Superstar flexes his muscles for the country appearing on NBC's "Tomorrow" show. Vince McMahon Jr. and host Tom Snyder look on in awe. Above right: Graham poses with one of his few close friends, Jimmy Valiant.



Superstar finishes off his hated rival, Mark Lewin, and then goes after Lewin's manager, Gary Hart, in Texas.

Above: The referee does his best but does not have the power to force Graham to stop his brutal assault on Dusty Rhodes. Below: Graham changed his appearance considerably before vanishing.



Tribute To Harley Race:

HIS 10 GREATEST CHAMPIONSHIP MATCHES

★★★

HARLEY RACE VS. DORY FUNK JR.

June 1977 at Houston, Texas

Q: You and the Funks aren't exactly bosom buddies.

A: Cowboys! Funk should be back in Texas on one of those rockin' chairs instead of tryin' to wrestle.

Q: Why do you hate the Funks so much?

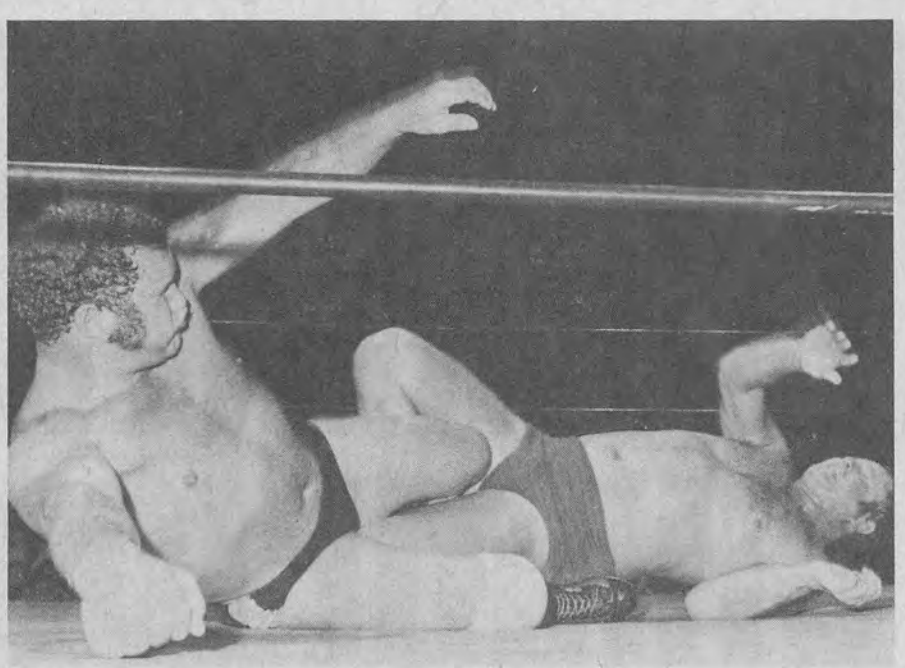
A: Well, Terry is a loud-mouthed fool who doesn't know when to keep his fat trap shut. I've had more than enough aggravation from Terry and his cheatin', lyin', swindlin' ways. Guy is just a disgrace to wrestlin'. I wish he'd understand I've whipped him enough times that he ain't never gonna get my belt.

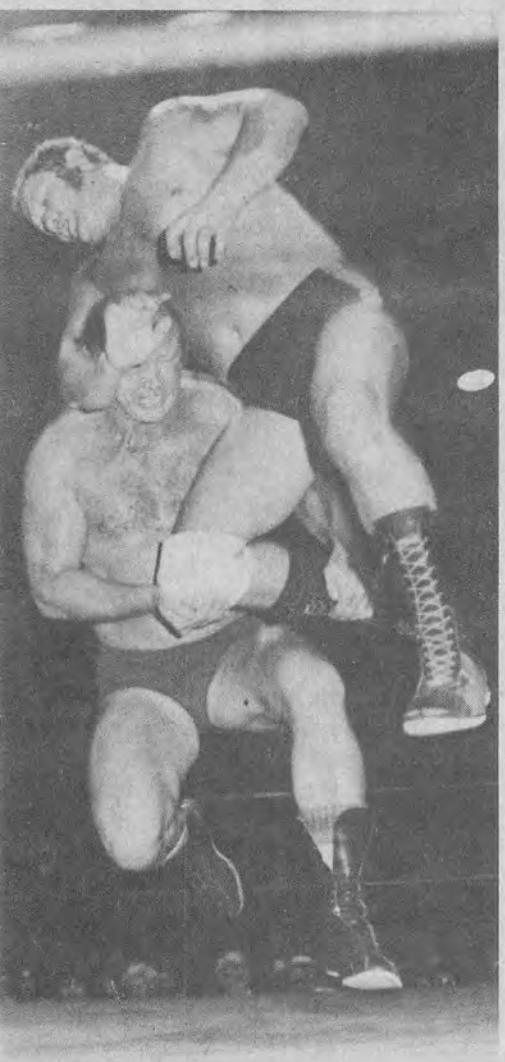
Q: And Dory?

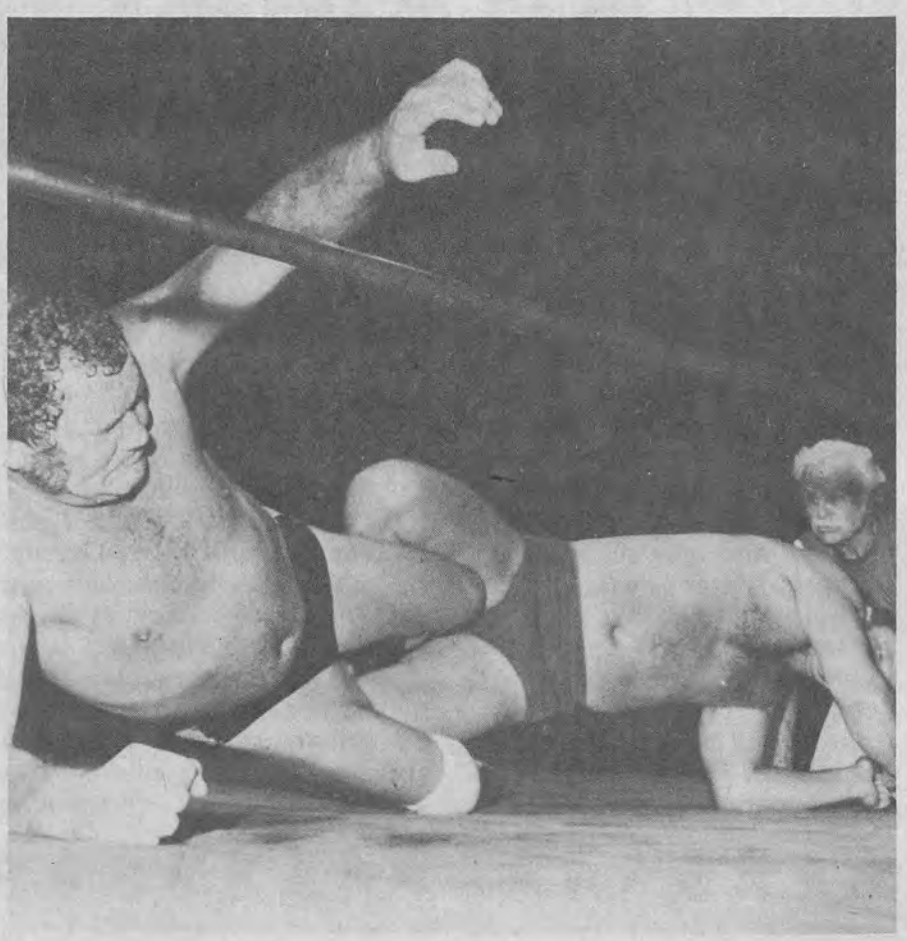
A: Ah, what a simp. This match in Houston was a classic example of the way I can batter that cowpoke from one ringpost to the next. All he's got is his daddy's rep and he's been livin' on that enough. Time for him to be his own man, which is kinda hard since he isn't exactly a man.

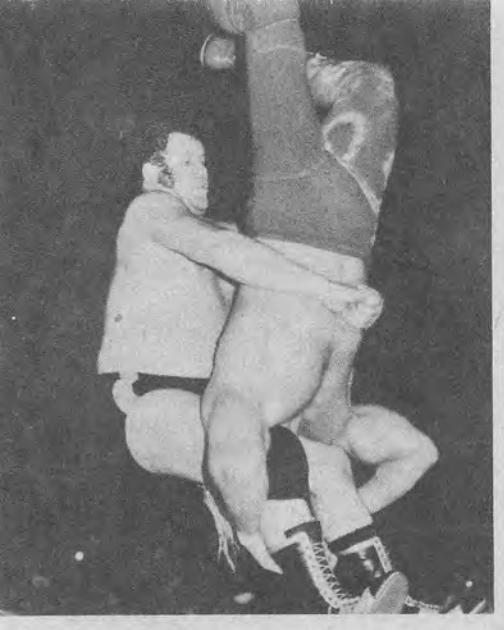
Q: How can you ever settle this feud with Dory?

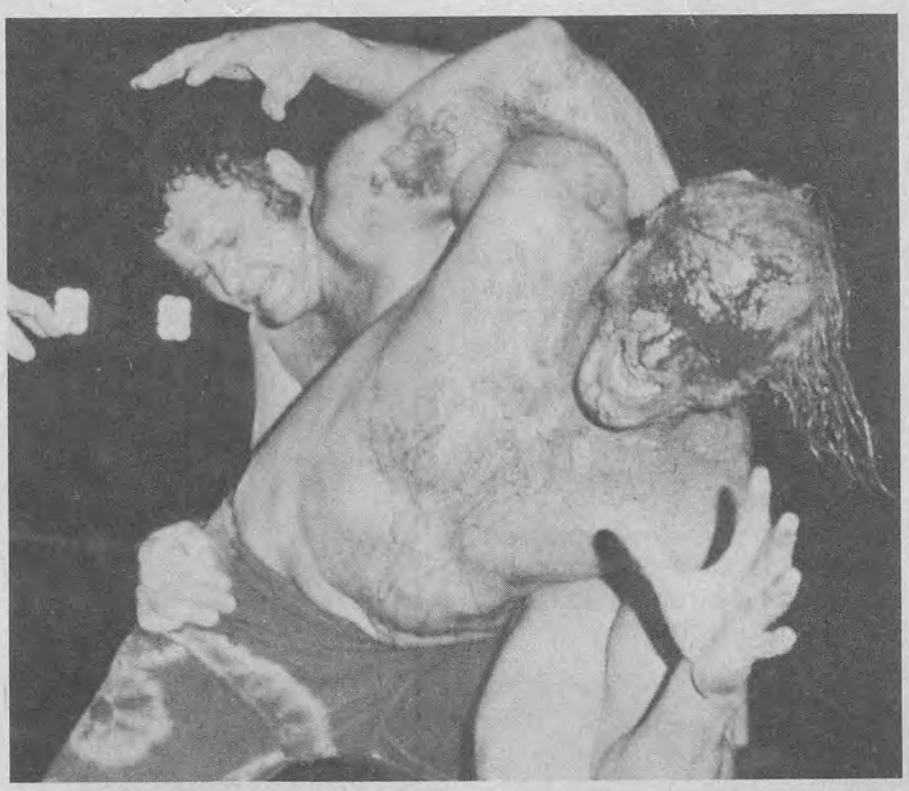
A: Far as I'm concerned, it's all settled. I have nothin' to prove wrestlin' him anymore. He's over-the-hill and slidin' down the back side of life. Let 'em get out of wrestlin' while he still has a little left.











HARLEY RACE VS. SUPERSTAR GRAHAM

January 1978 at Miami, Florida

Q: Why did you want to wrestle Graham?

A: I been wantin' to meet that muscle-bound clod for a long time. As you might recall, he was still WWF champion and I really wanted to show the world that the NWA champion was far superior to the WWF champion.

Q: Do you feel you did?

A: Oh, sure, Graham's always been an overrated wrestler. I never thought he was nearly as good or tough as his clippings said he was.

Q: What didn't you like about Graham?

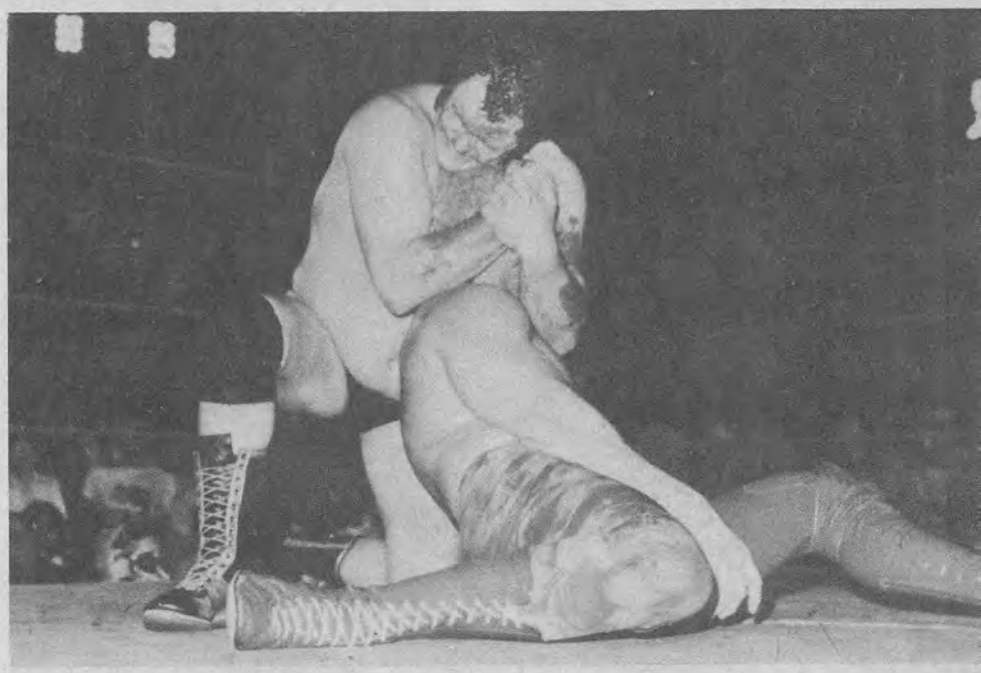
A: Don't like braggarts, pure and simple. If you gotta keep openin' your mouth and tellin' the world how damn good you are, then maybe you just aren't that good.

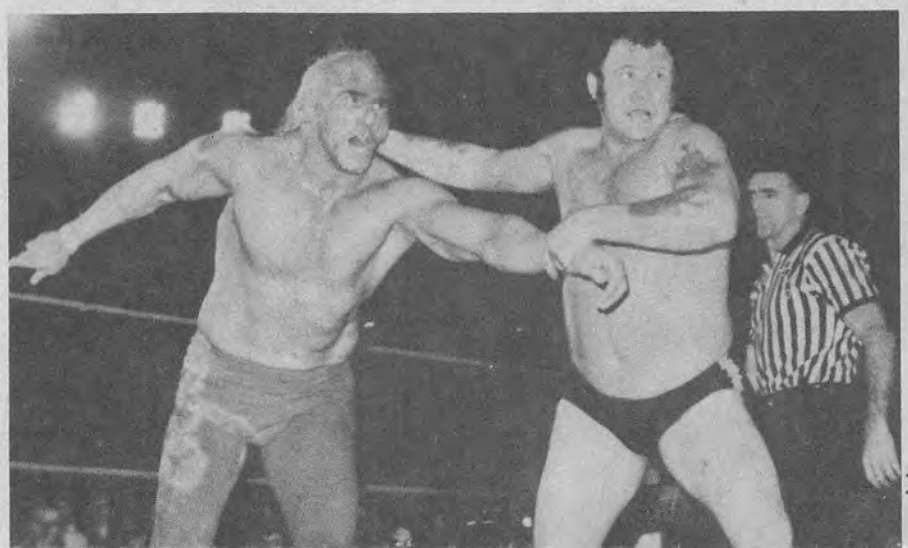
Q: Obviously Graham had to be doing something right in order to win and hold the WWF championship?

A: Well, now you're talkin' about an inferior area. I think I proved in this match and a host of others that the NWA, pound for pound, is better than the WWF.

Q: Do you think one match proved that?

A: It was their best against our best and I whipped the creep. Who needs anymore proof than that?

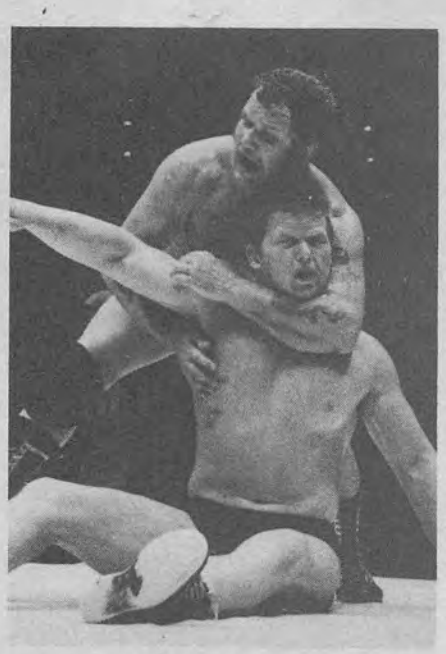




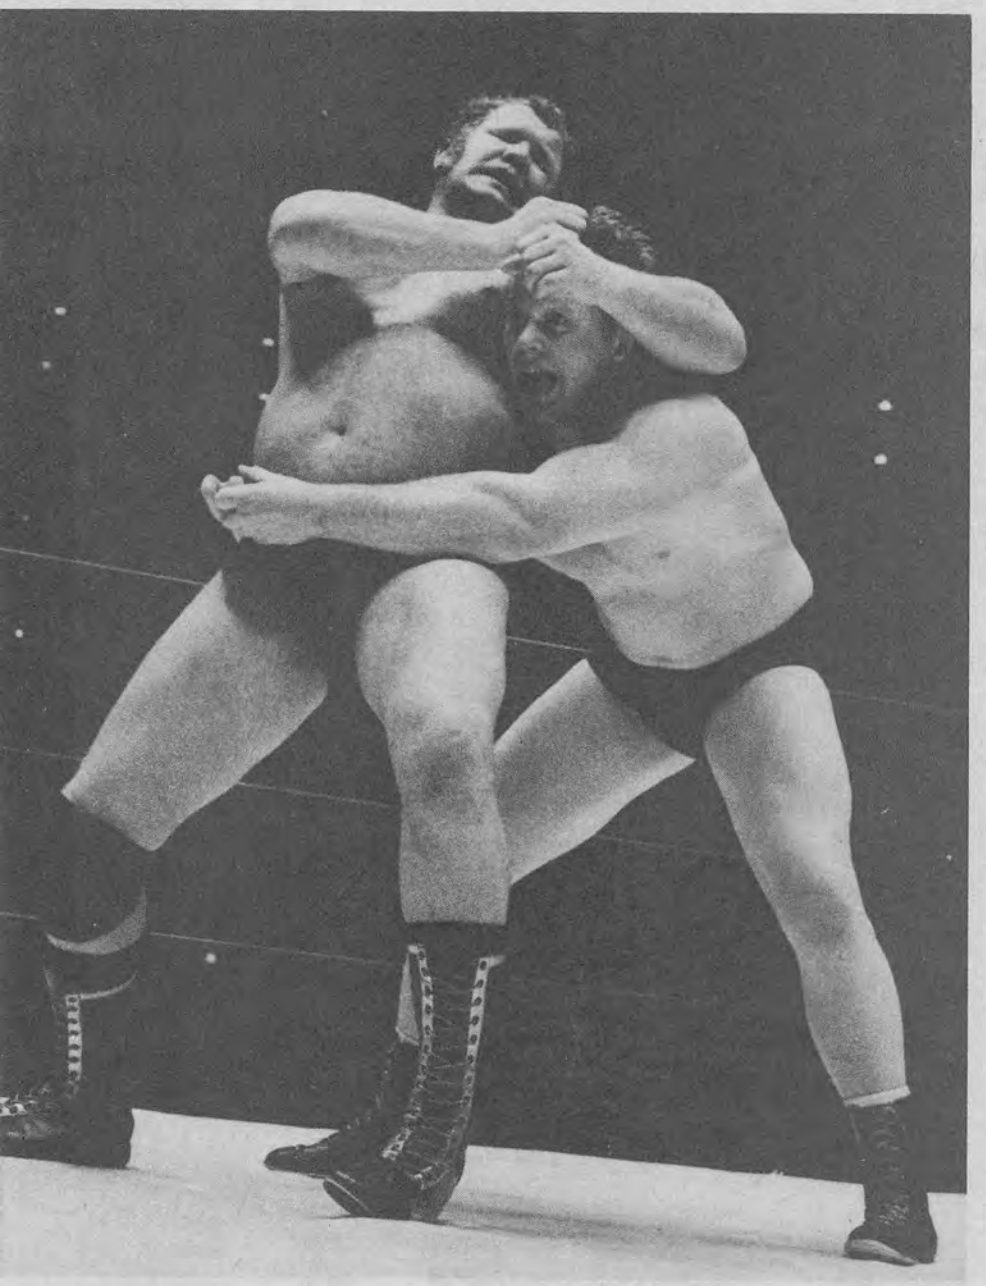
HARLEY RACE VS. BOB BACKLUND

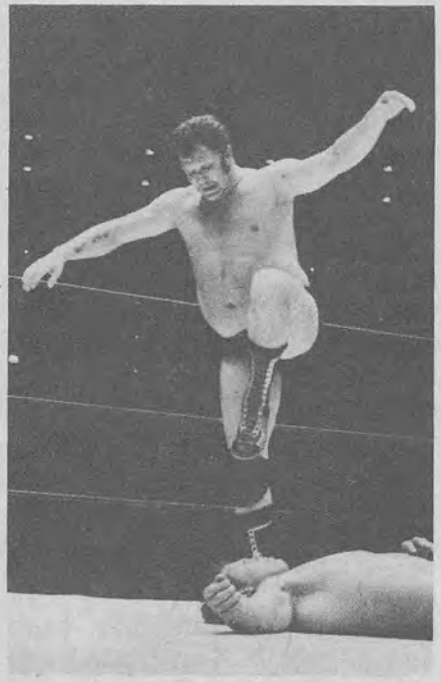
February 1978 at Jacksonville, Florida

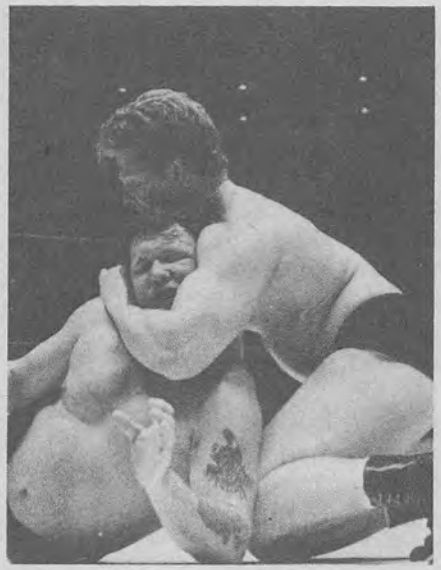
Q: Now, Bob Backlund was quite a challenge.
A: To who? Maybe it was a challenge to the media hypin' the match, but wrestlin' a punk has never been very tough for me. Fact of the matter is, only way Backlund could stay in the same ring as me was through his cheatin' and the fact I felt sorry for him.
Q: Weren't you at all impressed?
A: Oh, the kid's got somethin' on the ball, but he also has an awful lot to learn.

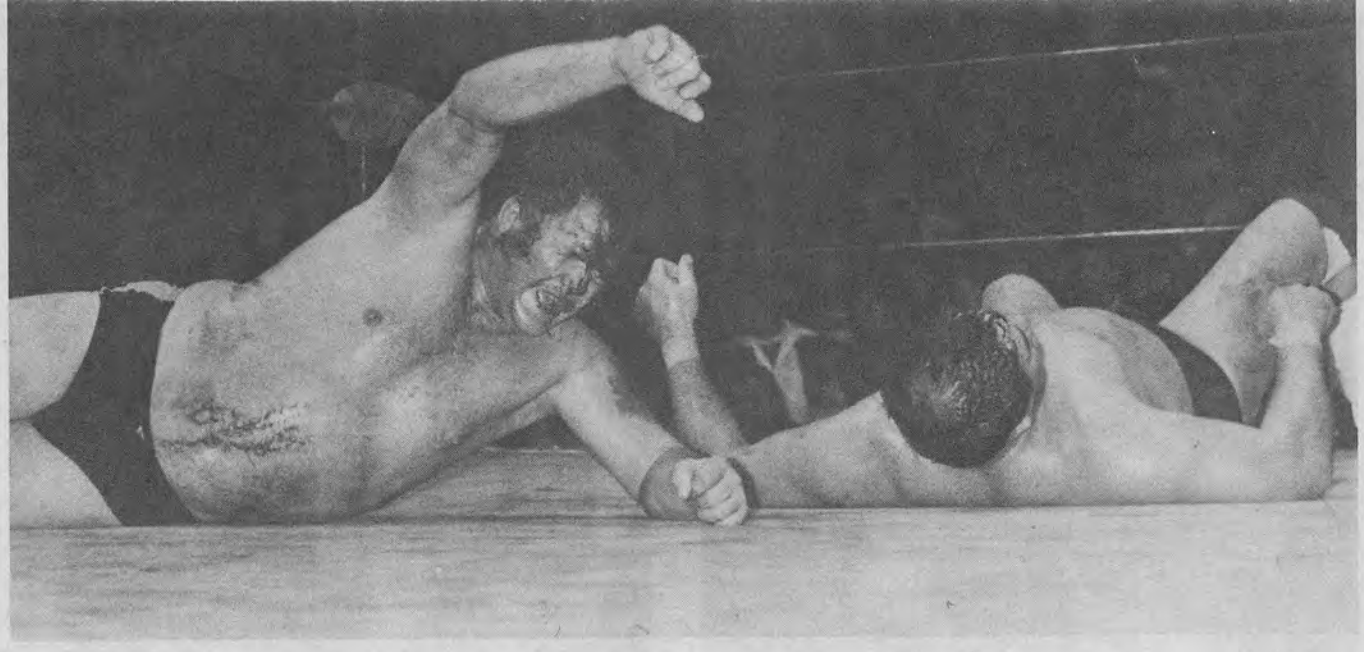


Q: What are the positive sides of Backlund?
A: Kid is very, very strong, believe me. I gotta give him that much. And he has really done well on those maneuvers of his. He must work awfully hard and it shows.
Q: And the negative side?
A: Kid isn't exactly well-blessed upstairs. I'm talkin' about brains. Punk's got whole wheat for brains. And I think he's got somethin' of a yellow streak runnin' up and down his back.
Q: Do you think Backlund might not have been ready for you?
A: If Howdy Doody Backund lived to be 150, he'd never be ready for Harley Race.









HARLEY RACE VS. WAHOO McDANIEL

February 1978 at Houston, Texas

Q: Wahoo McDaniel isn't the man you'd invite to a Harley Race New Year's Eve party, is he?

A: Only if it was real hot and we needed some rain to cool things off.

Q: Do you dislike Wahoo because he's an Indian?

A: Nope. I don't like Wahoo 'cause he's a bum. I treat all people fair and square, never show' a hint of prejudice. I just think McDaniel suffers from certain deficiencies like talent and brains and guts.

Q: He has quite a temper, doesn't he?

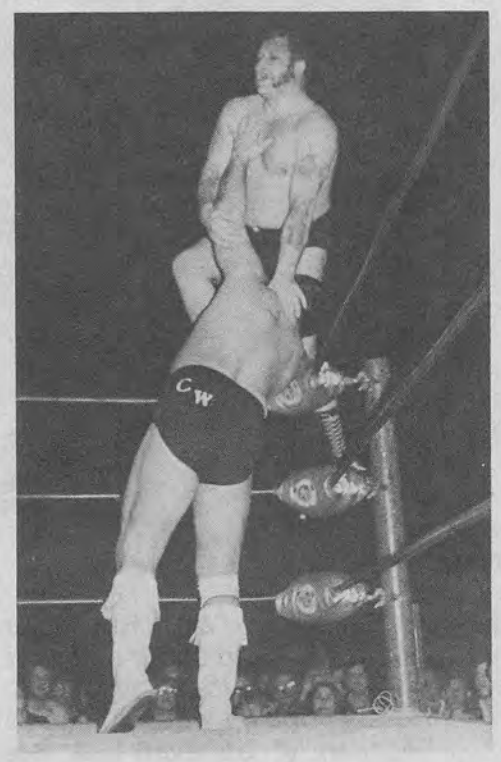
A: Ah, temper. That's just because he gets so damn frustrated not bein' able to do anythin' worthwhile in the ring that he gets mad and resorts to just a whole lot of mindless violence.

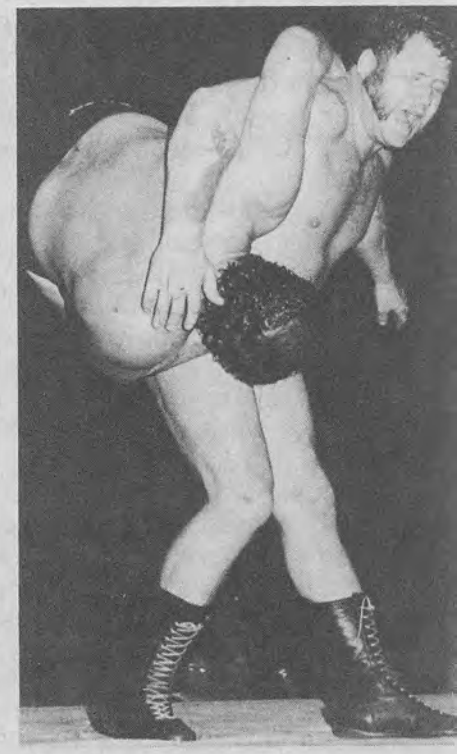
Q: Is there anything you like about McDaniel?

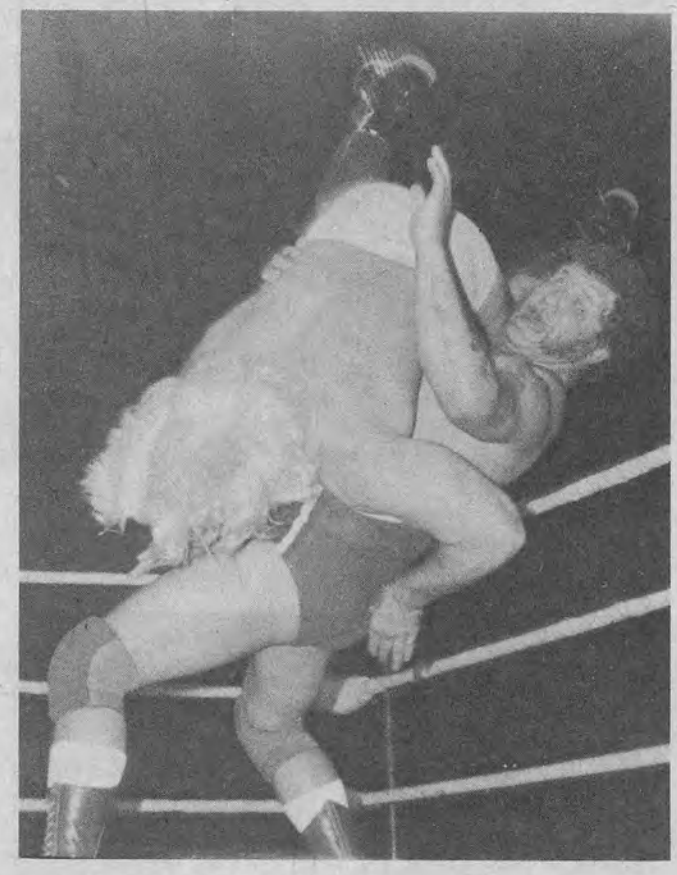
A: Only that he is really good practice for me. I always like havin' a standin' target for my blows. I can practice moves that aren't really ready yet 'cause I know, no matter how raw they may be, McDaniel won't be able to handle them.

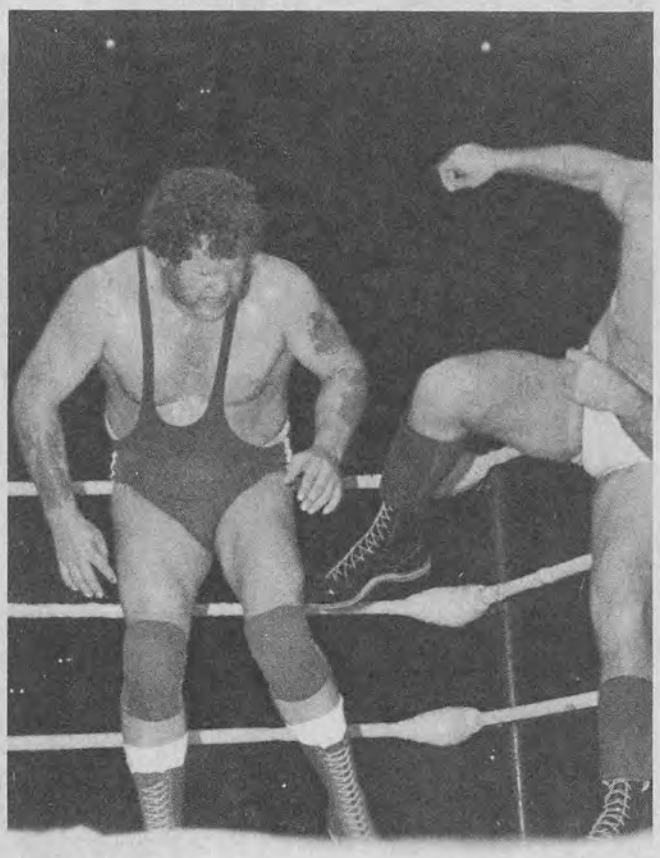
Q: But your matches with him are rather violent?

A: Only because he's an animal.









HARLEY RACE VS. RIC FLAIR

March 1978 at St. Louis, Missouri

Q: You've often expressed a kind of grudging admiration for Ric Flair, right?

A: Very grudging. I once thought the kid had potential. Until he got hooked up and all buddy-buddy with that Steamboat clown, I thought Flair could even be another Race. Or at least a shadow of Race.

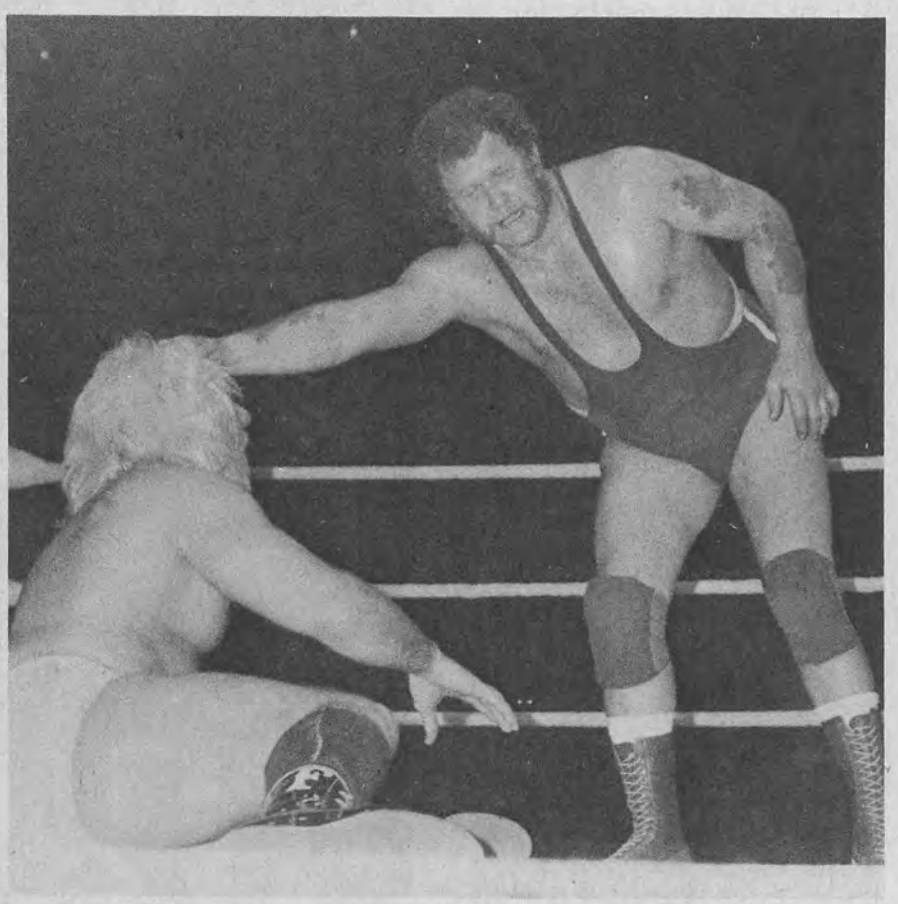
Q: Why did you admire him?

A: Well, not admiration. I just thought he had somethin' on the ball and had a chance. Kid's got guts, a whole truckload of guts. And he's got the size and the speed to make it big. But then he went out and blew the whole deal.

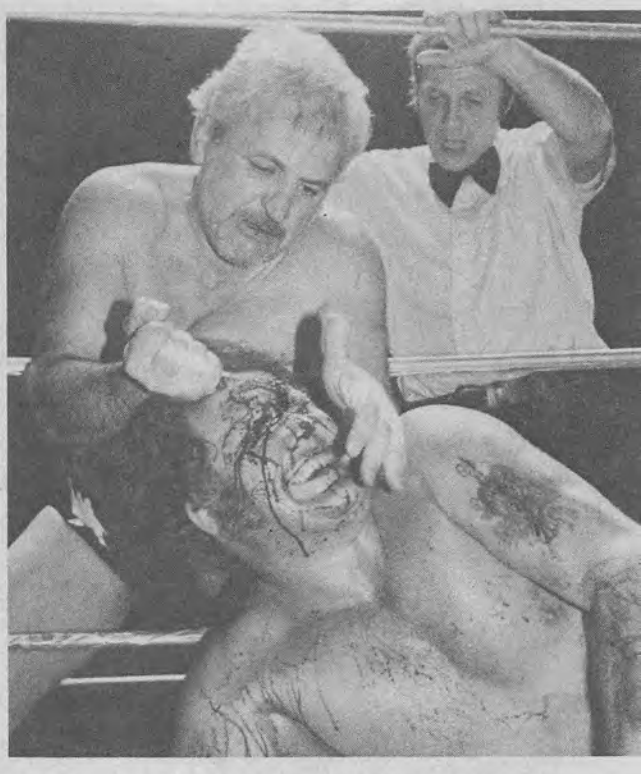
Q: How?

A: Got scared. Instead of stayin' to his natural instincts and wrestlin' the way he felt, deep in his gut, the only way to wrestle, he started thinkin' and analyzin' and all sorts of weighty matters which don't belong in the ring.

Q: But you have to think.



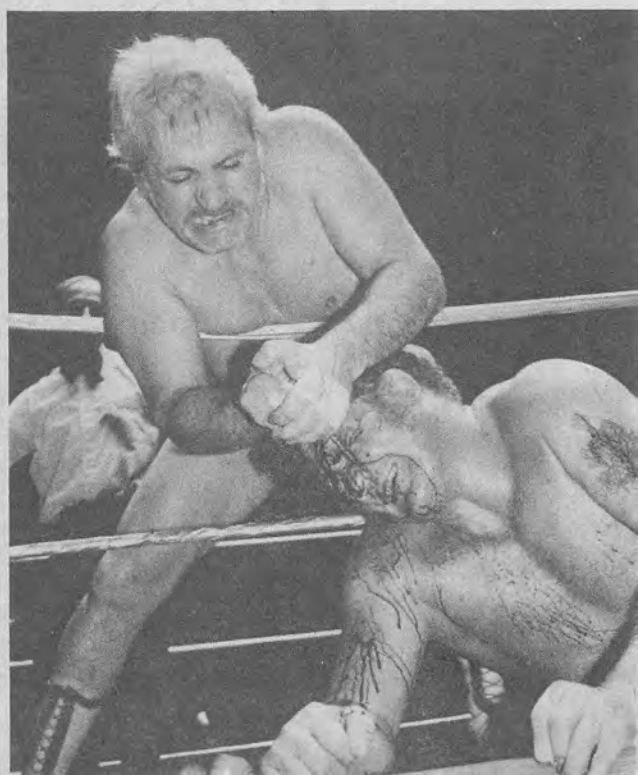
A: Sure you do. But your instincts should command your mind, not the other way around. I kinda hope Flair ain't lost to us because, if he ever just lets loose and unhooks himself away from a bad influence like Steamboat, he's got a chance at bein' somethin' more than a prelim bum.

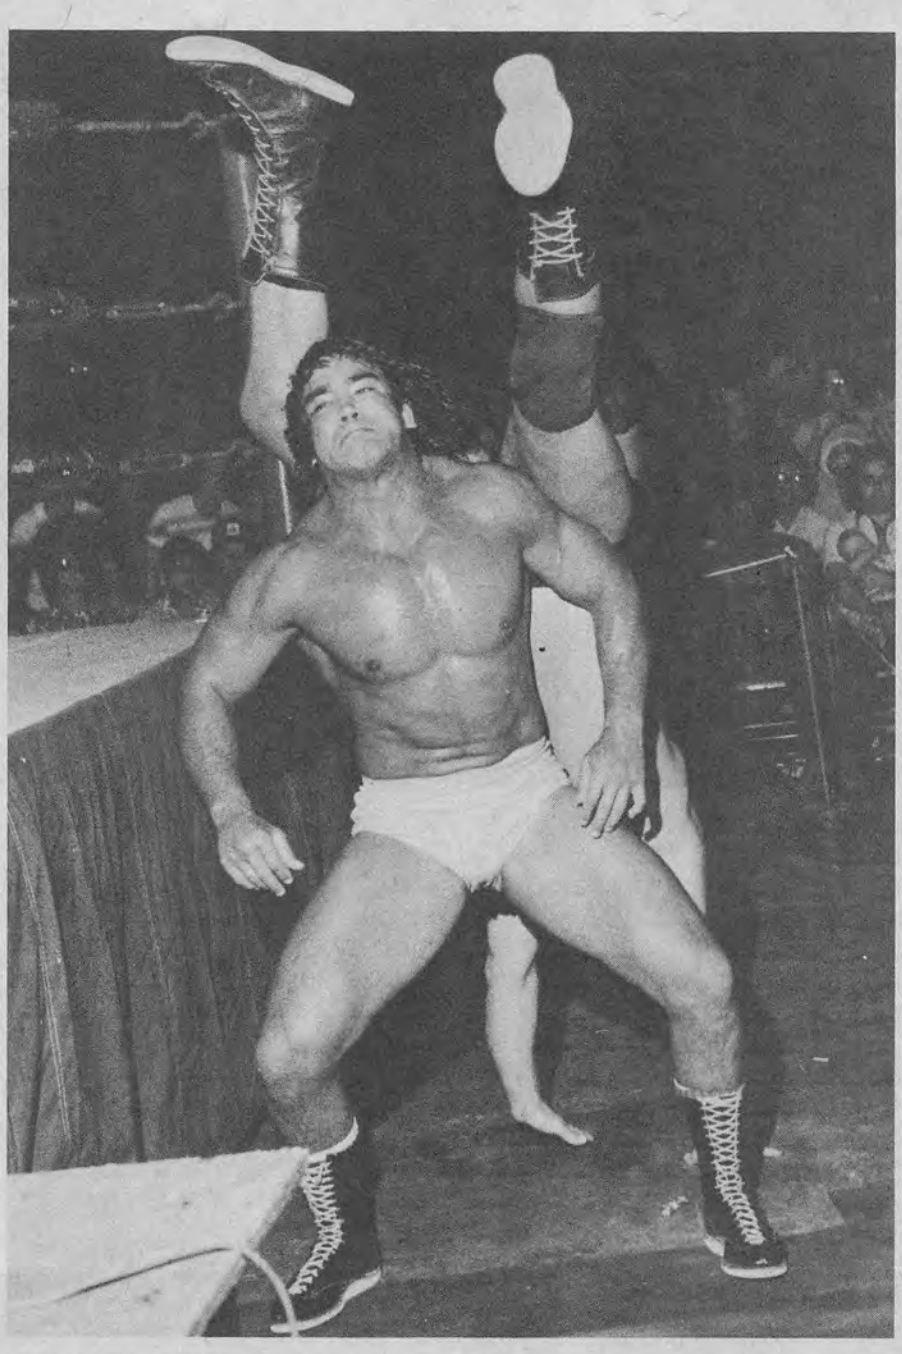


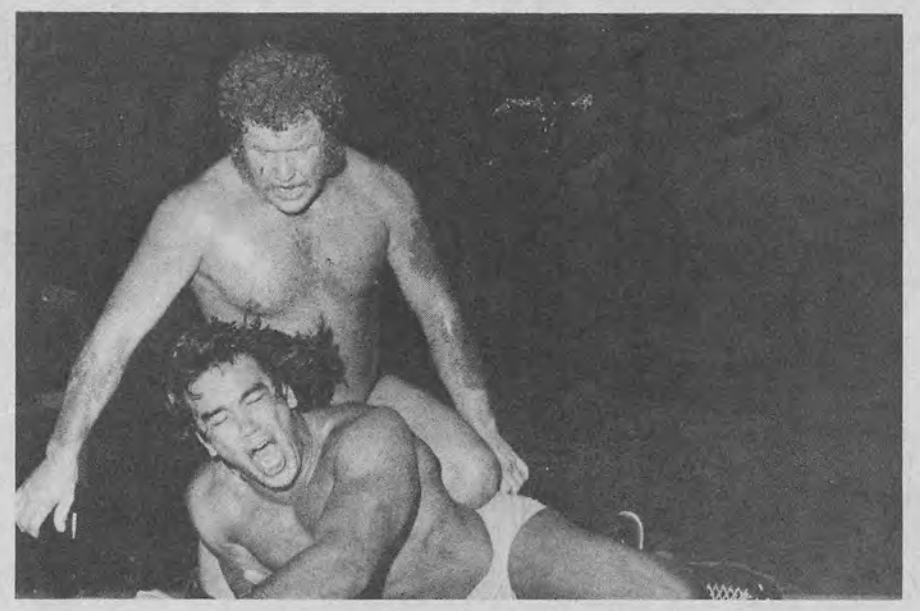
HARLEY RACE VS. THE SHEIK

June 1978 at Detroit, Michigan

Q: Would you say The Sheik was the strangest championship opponent you ever had?
A: Strange ain't exactly the word. From another planet, maybe. The Sheik is just, well, I don't know. He doesn't behave accordin' to any kinda things I know about.
Q: What's it like facing The Sheik?
A: You gotta be prepared for anythin' and everythin'. He is wildly insane, just outta his tree. Any man who'll try and bite your ear off and shoot fire at you, well, you're not talkin' about a normal man.
Q: So what does Race do?
A: I'm proud of the fact that in all my championship matches, I never rearrange my game plan to suit my opponent. I do make adjustments, but I manage to wrestle according to what is best for Harley Race. Again someone like The Sheik, I just plow straight ahead and try and defuse anythin' he might think of doin' before he gets a chance to do it.
Q: Do you consider wrestling The Sheik a challenge?
A: Oh yeah. Anytime you get outta the ring in one piece with The Sheik, it's a challenge.







HARLEY RACE VS. RICK STEAMBOAT

July 1978 at Charlotte, North Carolina

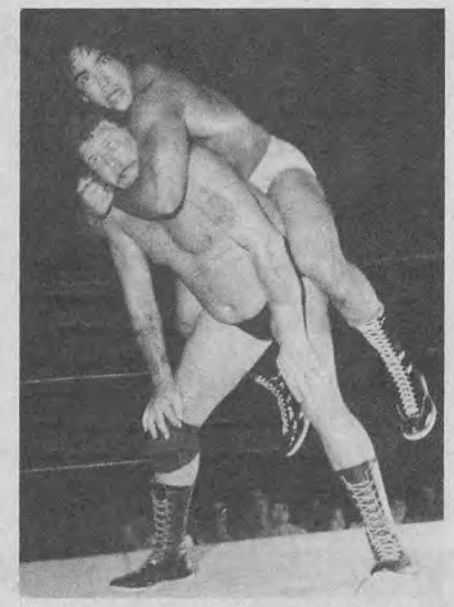
Q: How do you feel about Rick Steamboat?

A: Well, Steamboat's so blasted busy lookin' in the mirror, he doesn't have much time for anything else.

Q: Would you call Steamboat a pretty boy?

A: I don't think he's very pretty. But he obviously thinks so. Fact of the matter is, Steamboat could care less about wrestlin' long as all the ladies keep whistlin' and hollerin' out his name.

Q: And you don't respect that very much?



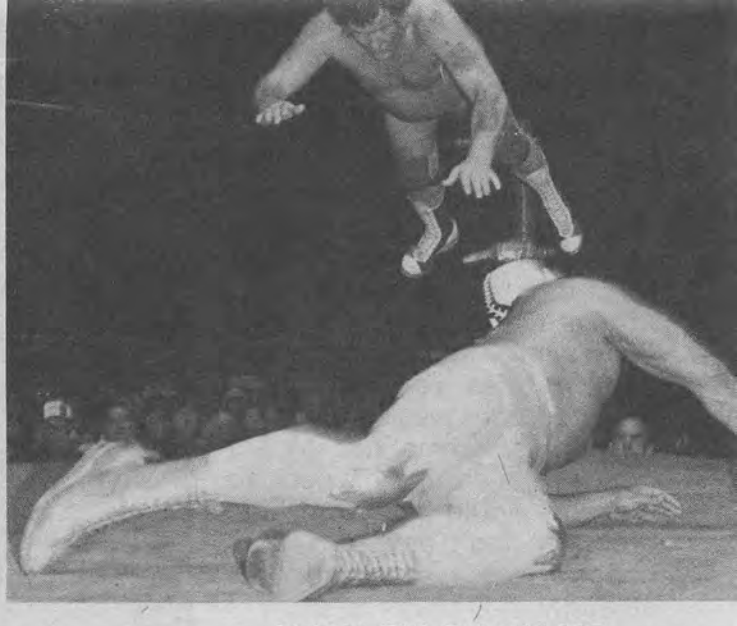
A: How can I? Steamboat isn't willin' to pay his dues. He thought 'cause he was good-lookin' and all that he shoulda been champion of the world. Life isn't that easy.

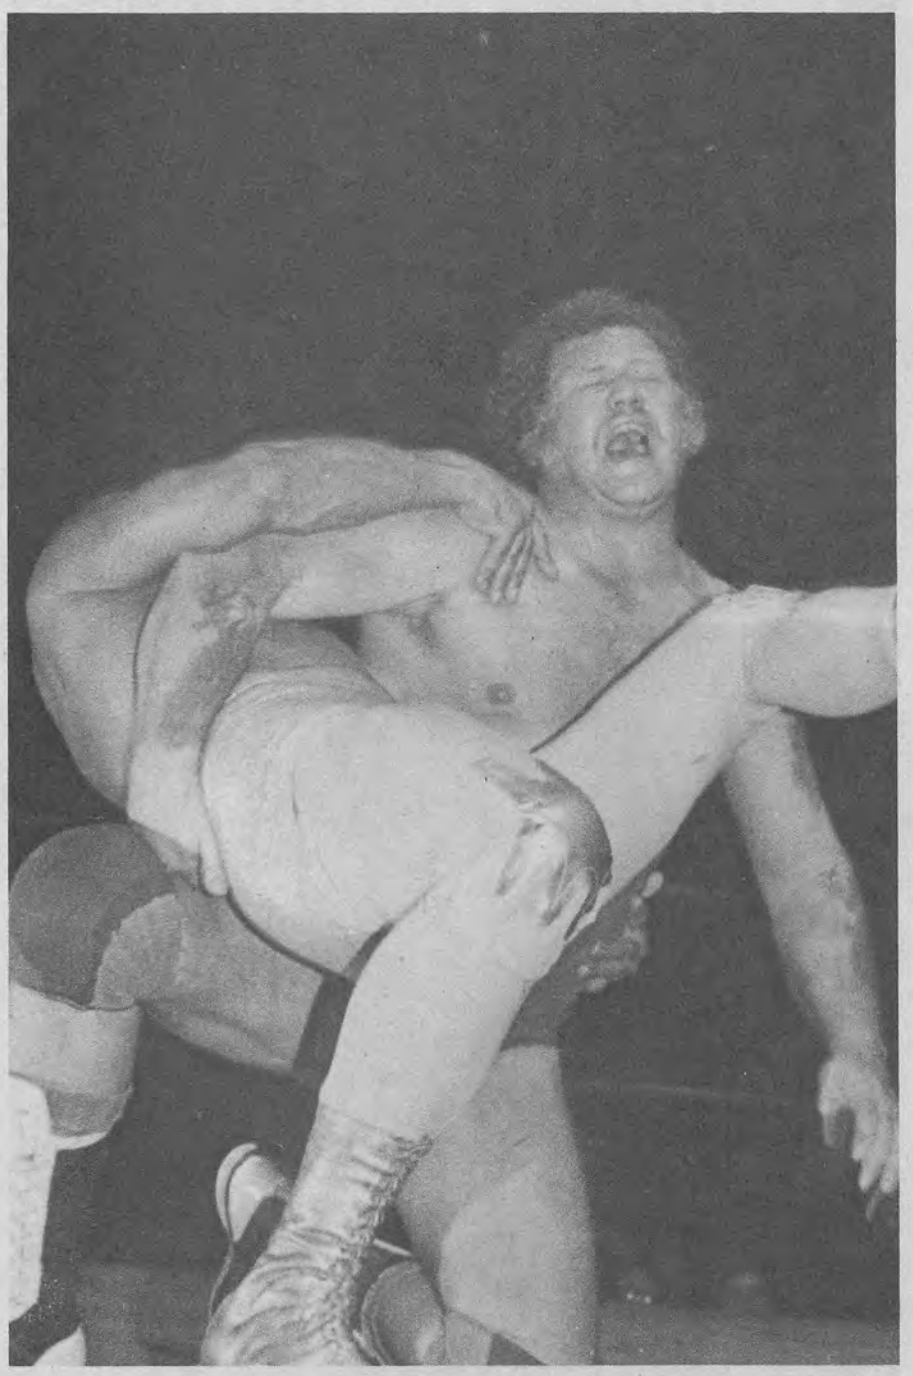
Q: You sound very angry about Steamboat.

A: Damn straight I am. I don't think he's good for wrestlin'. This is a brutal sport, not a dog show. If all Steamboat cares about is winnin' the blue ribbon for best-lookin' dog, then let him get out of the sport.

Q: Would you want to help him?

A: Why, there ain't nothin' to work with. He's just out-and-out mediocre and he'll be that way the rest of his life.





HARLEY RACE VS. MIL MASCARAS

February 1980 at Houston, Texas

Q: You and Mil Mascaras are pretty different.

A: Well, Mascaras likes to run around the ring a lot. He's kinda like a masked snake, greasy and slimy and willin' to only fight when your back is turned.

Q: You must admit Mascaras is a brilliant wrestler.

A: In a technical sense, yeah, he has the moves down real good. He seems to have worked real hard on 'em. But there's a lot more to wrestlin' than just technique.

Q: Like?

A: You gotta be willin' to mix it up in the ring. You gotta be willin' to take the punishment and not look at the least painful way to cause damage to your opponent.

Q: Is Mil Mascaras afraid of pain?

A: Yeah, I kinda think he's afraid to get his little body messed up or have blood pour onto his mask. He's got this here image he wants to maintain, very dignified and above battle. Well, you don't get into a wrestlin' ring unless you want to get your face, or mask as the case might be, punched in a few times.

Q: So you're not saying Mascaras is a coward.

A: Nope, he just isn't willin' to pay the price. And that's why he's never been champion.

HARLEY RACE VS. DUSTY RHODES

August 1980 at Tampa, Florida

Q: Dusty Rhodes. Is it accurate to say you hate Dusty Rhodes more than any man alive?

A: Just the thought of that fat, ugly whale makes my blood pressure rise real high. You know, Rhodes was so ugly as a child his momma had to put pork chops around his neck so the dog would play with him. Well, he don't have any pork chops around his neck and he's still ugly.

Q: Were you surprised you regained the NWA title so quickly after Rhodes won it?

A: Nope. Didn't matter if Terry Funk interfered or not, Rhodes just doesn't have what's inside him to be a champion. Some guys are perennial contenders and some have championship material. Rhodes is always gonna be a contender, nothin' more.

Q: Still, despite the animosity...

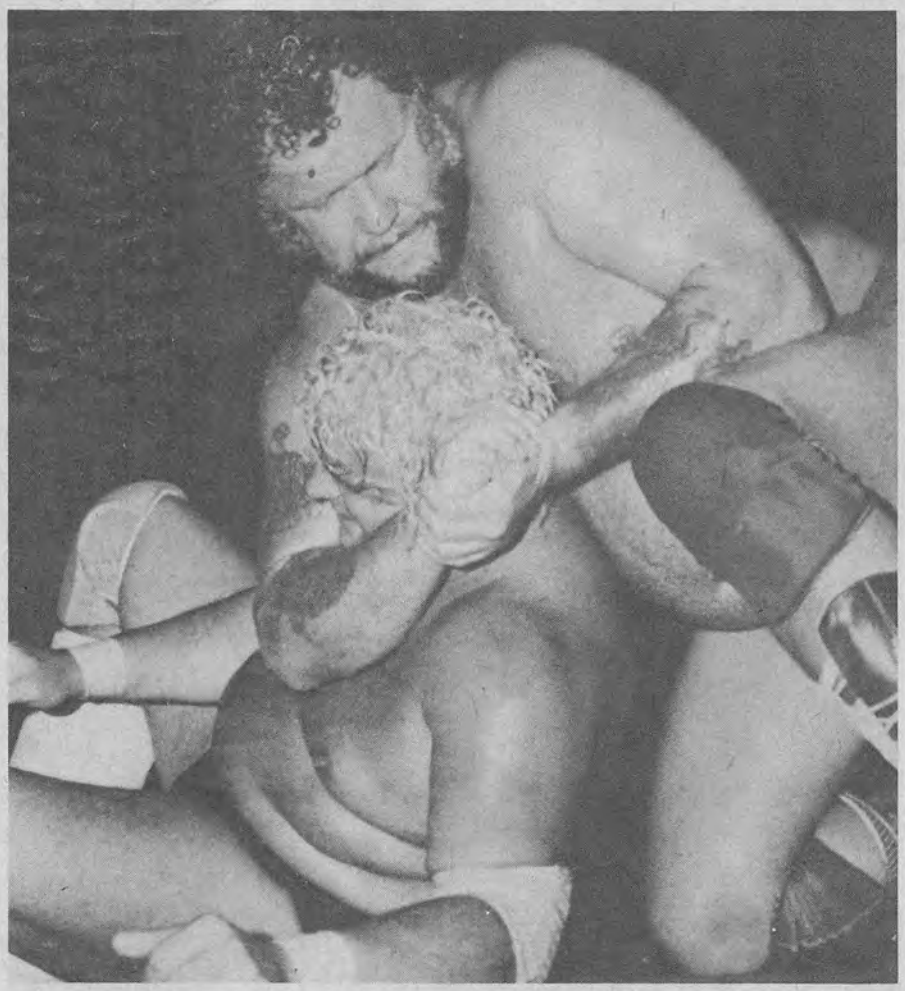
A: Hate is the right word.

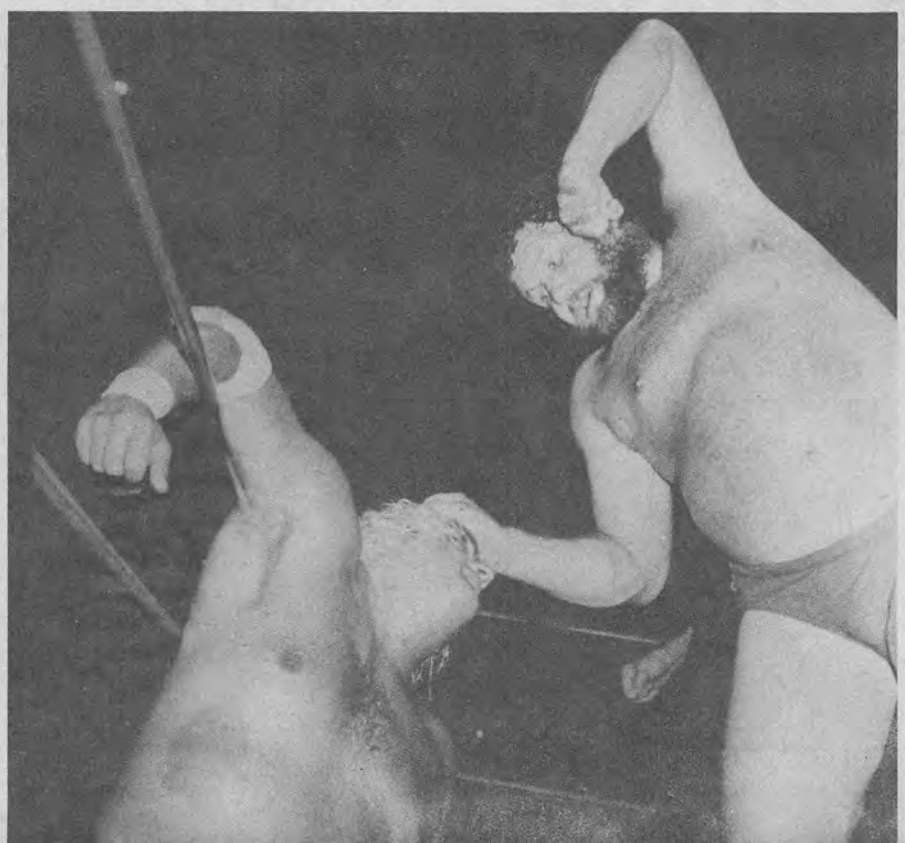
Q: Fine, then, despite the hate between you two, you're willing to give him another shot at the belt?

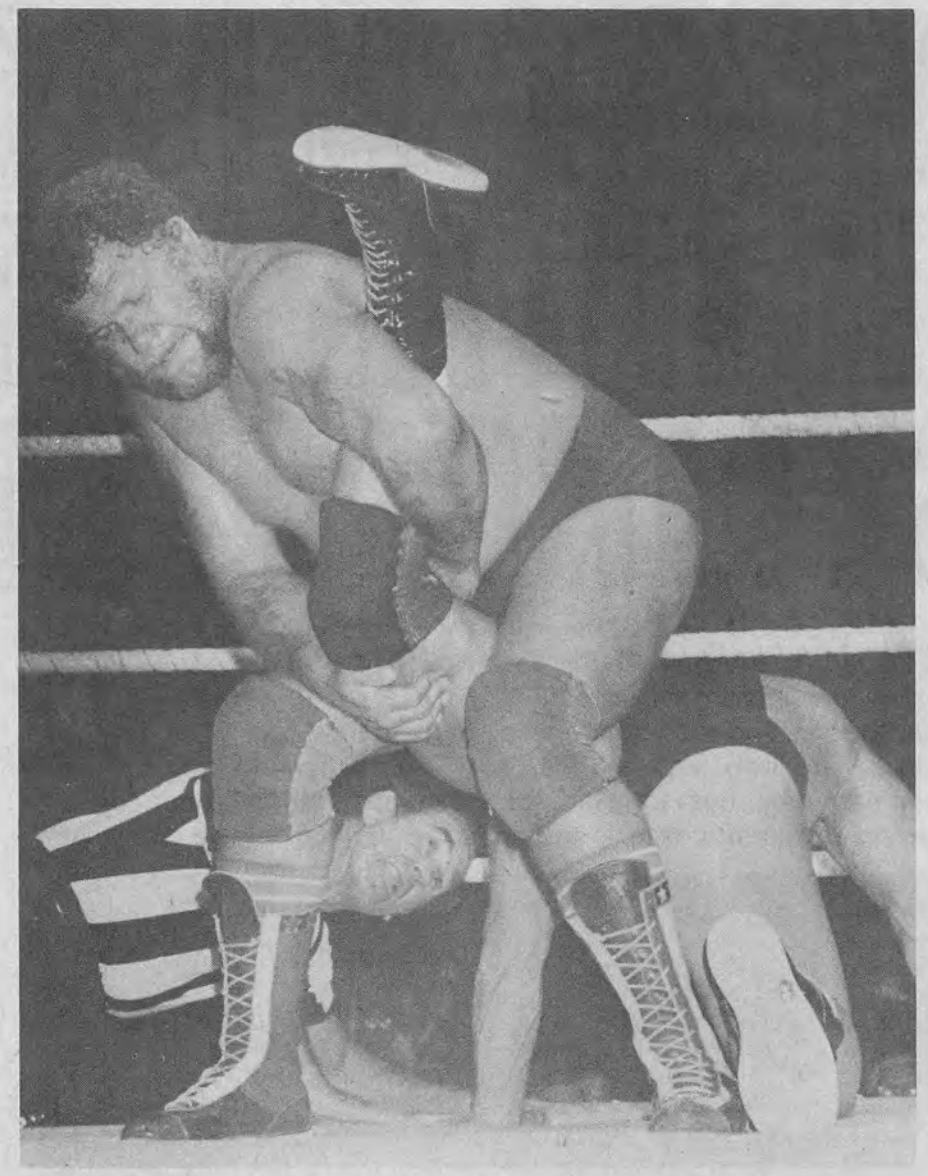
A: That's just because the fans want the match and I'm willin' to give any contender a shot. I've never run from any man in my life and I'm not about to start right now. Rhodes wants a shot, he can have it.

Q: Are you surprised he has thus far refused?

A: No. He's yellow from the word go. Everyone knows that.





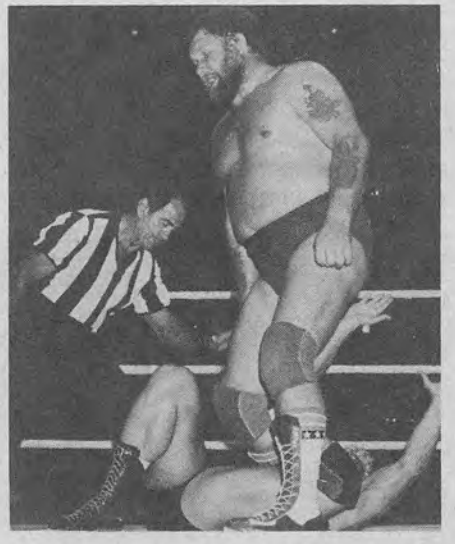


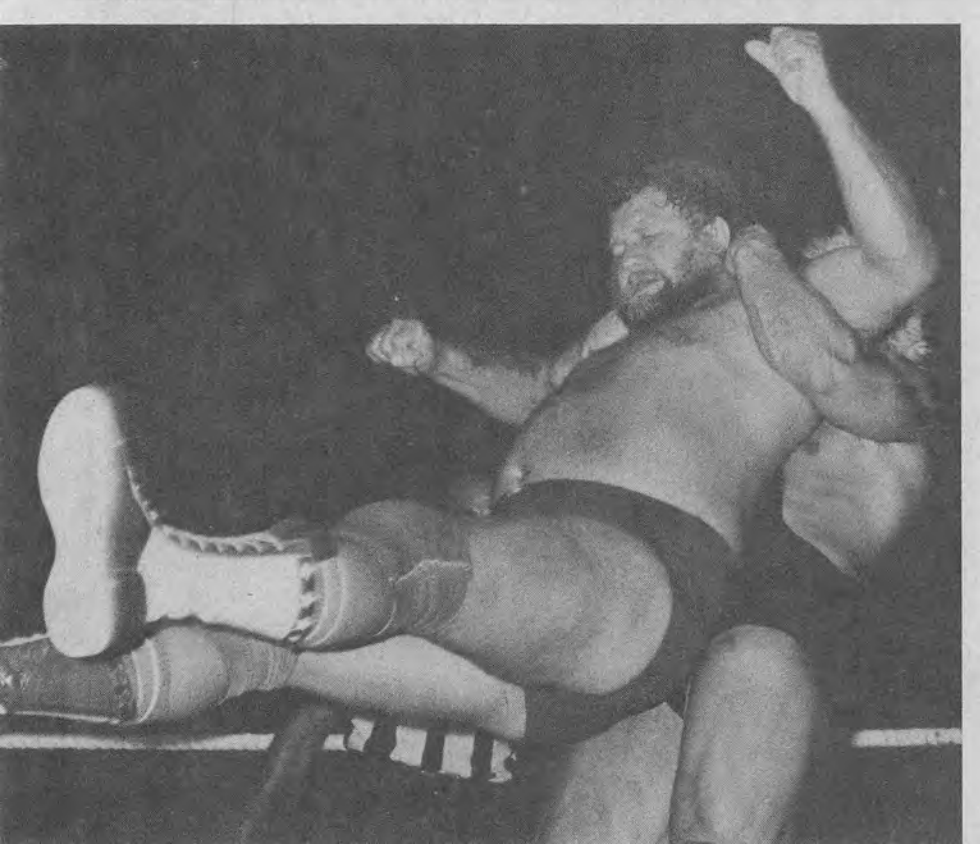
HARLEY RACE VS. KEN PATERA

September 1980 at St. Louis, Missouri

Q: Some say you look in the mirror and see Ken Patera.

A: Interestin' way of puttin' things. I respect Patera because he has the courage of his convictions. He could give a damn less what people say about him because he understands the opinions, of fool writers or fans or other wrestlers doesn't mean a damn thing. They can't get into the ring for you and Patera knows that so he goes and does whatever the hell he wants.





Q: He gave you quite a tough match, didn't he?

A: Oh yeah, that was a beaut. We went at it with everythin' we had. I'm not at all ashamed admittin' he gave me one helluva struggle.

Q: What kind of champion would Ken Patera make?

A: I think he'd be a top-flight champion. He'd meet anyone who challenged him, he'd never run from trouble, he'd give it his all every night. Yeah, Patera would be a great champion.

Q: The two of you think alike, correct?

A: Yeah, we have the same rough brilliance, don't go for gettin' too fancy, just get into the ring and wallop your opponent until he can't move a muscle. Yeah that's the stuff of champions.

MATCH IN APART
WRESTLING HIST

HAVE YOU SEEN the iron lady's charms? That's the question apartment wrestling fans are asking each other these days. The iron lady is Clea, a woman who has traveled the world and continues to do so. For the time she intends to spend in New York, apartment wrestling has the honor of her participation.

The young lady is no stranger to combat, although her current surroundings are much nicer

Clarisse works on Clea's right arm, making her scream in pain. Clea is known as apartment wrestling's "Iron Lady."

ILESS MENT ORY

than previous battlefields. Although tales of her past are clearly embellished by an active imagination, one can believe she has been in street brawls in Tangiers, bar fights in Marseilles, and ugly relationships with men who generate dangerous excitement. There is the air of a violent end about the lady which makes an acquaintance tingle.

When Clea arrived in New York from Naples on a cargo ship—due to the kindness of the captain—she naturally gravitated toward Greenwich Village. A job as a waitress in a Soho coffeehouse was easily obtained, the owner worshipping her every movement. Soon, her late evenings were spent with a coterie of artists and poets listening attentively to Clea's tales about her travels. The circle of admirers grew with every reminisce. It didn't take long for the owner to put the lady on a small stage and tell her life

Clea is at a disadvantage again as Clarisse throws her to the floor and begins a leg attack. It was anticipated that Clea would have less trouble with Clarisse. But as you can see the predictions were wrong.

An exotic young adventuress is now the new apartment wrestling sensation. To challenge this woman of mysterious fascination, a determined and justly famed apartment wrestler begged to be chosen. The explosion of their battle is chronicled here in a story no reader will ever forget!

Clea is knocked down on top of the wicker chair. She tries desperately to free herself.

stories to the enthralled throng. Business picked up appreciably.

One night, Clea told of an incident in Morocco: "A huge woman, must have been over 300 pounds, came reeling out of an opium den. I've seen people blown away in my time, but she was incredible! And she looks at me and falls in love.

"Well, I tried to explain to her though I was flattered by her attentions, the feeling wasn't mutual. But she didn't understand English, and I couldn't begin to speak the

secret language running around her drugged brain. When she finally got the message, as Shakespeare said, 'Hell hath no fury like a woman scorned.' The woman tried to kill me.

"We must have gone at each other for 15 minutes on that cobblestone street. All she had to do was sit on me to win. But I didn't have opium sending funny messages to my arms and legs; so it was an even fight. She scratched me up badly. But in the end, I left that mountain of flesh lying lifeless on a Moroccan road. Every so often, walking away, I could hear her huge body wheeze for air. It was a really horrible, rattling sound. When she could stand, she probably went back to the opium den."

When the coffeehouse closed that night, one customer remained. Clea could see this was not a man who would be awed by any woman. There would be no declaration of love or promises of splendid surroundings as a kept woman. She went to him and silently sat down at the table.

"That was a very exciting story," the man said evenly. "Was it true?"

"Would it make any difference?"

"Yes. My name is Dave Moll." The man then searched the woman's face for a reaction. Seeing none, he continued, "My friends and I are the organizers of apartment wrestling." Again, no reaction. "I'm sure you've heard of apartment wrestling."

"I've been out of the country for a while. Besides, I do things, I don't hear about them."

"Then why don't you become a participant?" Moll countered calmly. "I can find you the perfect opponent for a match Friday. I've arranged with your employer for you to have the night off . . . with pay. He thinks the notoriety you're sure to gain will be good for business."

"The only fights I get in are for keeps."

"For some, glory means as much as survival. I can assure you the opponent will take this very seriously. You won't be disappointed at the quality of your foe. The same, of course, goes for the quality of the spectators. As I'm sure you've already heard."

One handshake later, Clea became the newest apartment wrestler. Her opponent wasn't difficult to recruit. Many women vied for the privilege. Whenever a new woman enters the apartment wrestling scene, especially if she comes bearing a legend, the best competitors want to prove the newcomer is less than she appears. It's a cruel initiation rite, one that has discouraged many novices from trying a second time. Of the 15 women requesting to be Clea's torturer, Clarisse was chosen.

For the past year, Clarisse had gone all over the world to participate in apartment wrestling matches, winning most of them. Her long blonde hair and magnificent body had won the admiration of spectators; her abilities won her awe. Many apartment wrestlers are crude brawlers whose savagery more than compensate for their lack of skills. Clarisse is a student of the sport, delighting

It appears Clarisse holds the advantage over Clea when the blonde has her opponent prone on the carpet and about to be strangled. But Clea is a veteran of these kinds of battles. In seconds, she will be free.

Now it is Clarisse who is in trouble (above) and Clea will do everything in her power (right) to send her to her doom.

in different maneuvers and tactics. Her movements possess a savage grace and fluidity. No new grappler could face a stronger challenge.

Clea, as Moll had guessed, had heard of apartment wrestling and Clarisse's fame. It didn't worry the young woman. There had been much greater trials in her past. The chestnut beauty put a bikini in her bag and headed for the penthouse.

When she arrived, there were many familiar faces in the throng. She acknowledged their greetings with a slight nod and even slighter smile. One look in her eyes proved this was for keeps. There was no time to be charming.

Clarisse also walked past the assembled without exchanging pleasantries. By this time, she had heard of Clea's reputation and experience. Clarisse knew what it was like to go hungry, but she had always been able to go to a fine restaurant for the cure. She had always been uncomfortable around women who had to scratch for a living. From middle-class suburbs to an east side apartment, Clarisse had never known want, nor liked people who had. Though she never admits it, this feisty blonde is supposed to have an innate fear of such women in combat.

The women were summoned from their dressing rooms and appeared without hesitation. Clea loomed over her smaller opponent, a comparitively compact grappler. Yet, the blonde appeared more agile and imaginative, making for a fair encounter. The two girls stared at each other across the expanse of carpet, tensed for the battle. Then, Moll announced, "Ladies, begin!" They took him at his word. What followed was one of the greatest matches ever witnessed.

Clarisse made the first move, trying to grab Clea's beautiful long legs. She managed to grab her victim's left, but Clea kicked her right leg free. That free limb, with a terrible grace, slashed through the air. A knee cracked against Clarisse's head. The blonde went sprawling across the carpet.

Clarisse landed on all fours. She shook her head to drive away the ringing in her brain. Before her head cleared, she felt the long arms and oppressive weight of Clea enveloping her body. She was more than

ring and attempting to wrestle like a man. All this high-sounding philosophy of his fails to impress me in the least.

"More so, I think Steamboat has lost whatever little skills he might have. He is using this philosophy as an excuse for his own failures.

"With his career sliding down the drain, Steamboat had to find some handy excuse to justify his own failures. So he came up with this philosophy. Now as a man who has read exhaustively on different philosophies, I must say that Steamboat completely fails to embrace the philosophy he tells people he has accepted.

"Steamboat's philosophy requires a man of courage. It demands someone willing to accept his own risks in any given situation. To lay back and rely exclusively on spirtituality is foolish and only real cowards do that. Steamboat believes he can out-think me. Well, that is his biggest mistake. You cannot out-think someone with philosophy. All philosophy is give you the tools. You still need the innate intelligence and that Rick Steamboat sorely lacks."

Steamboat just shook his head.

"I won't get angry with Piper," he said. "Maybe that is a good sign." □

RESPECTS BACKLUND

It angers me to hear people poke fun at WWF Champion Bob Backlund just because he fits into the all-American mold. The guy has short hair, he doesn't wear hair all over his face, and he respects the American flag. So what's wrong with that?

I have two kids and all their friends make fun of them because Bob Backlund is their favorite. I tell them that if those people don't like Bob then I don't want them spending time with those kind of people, anyway.

You'll notice that I haven't gone on and on about Bob Backlund's wrestling abilities. There is no need to. His three-year title reign speaks well enough for itself. It does my heart good to see a man with so much influence on the younger generation use that vast power to help promote a better human being. I have nothing but thanks for this fine man.

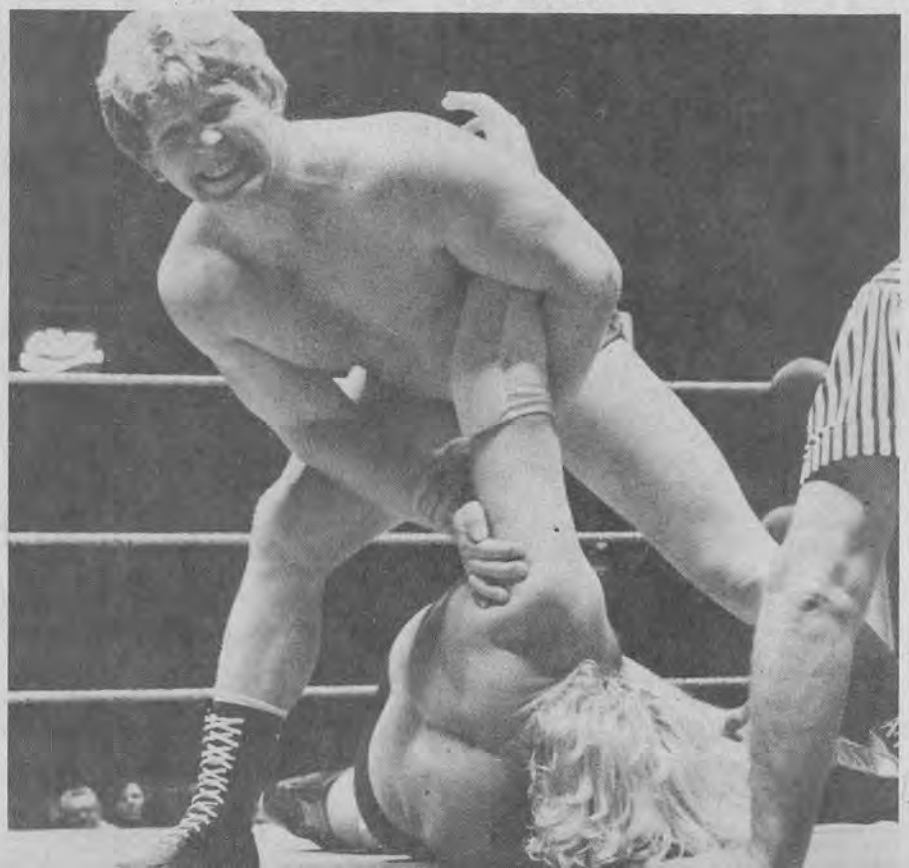
SUPER TEAM

The new Mid-Atlantic tag team champions, Dewey Robertson and George Wells, absolutely astonish me. They are so clever and so talented that they make mincemeat of all they meet. Wells is a great, versatile wrestler and Robertson adds a shrewd stability to the tandem.

Still, what really impresses me

The tag team of Dewey Robertson (above) and George Wells has impressed Alvin Shane. Reader Ronda Kenger, a mother of two, feels WWF champion Bob Backlund (below) is a fine example for America's youth.



about these two guys is their harmony. They really work well together. Most teams show some signs of jealousy, but not these two brilliant men. They seem to really like and respect and trust each other, which is critical for any successful tag team.

Keep up the good work, guys.

CRYBABY RICH

I have no sympathy for Tommy Rich. His entire history has been one of emotional instability and physical cowardice. Whenever things get too rough for him, he runs like the sniveling coward he is. He ran from Georgia when he realized he just wasn't good enough to beat Harley Race for the NWA title. Then he runs into Tennessee, and, as soon as decent

"Mailbag" contributor Steven Sample has nothing but contempt for Tommy Rich. Rich, he feels, is a back-stabber and should get out of the sport.

men like Jimmy Hart trust him, Rich stabs them in the back.

I have one very simple message for Tommy Rich: get out of wrestling while you still can. You're nothing but a bum and everyone knows that, except the bleeding heart Rich fans who sob and protect the little coward whenever they can.

APARTMENT WRESTLING HISTORY

(Continued from Page 48)

Hair pulling becomes necessary for Clarisse to again gain control of the brawl. Halfway through the battle, it appears that even this tactic will not help her for long. Nothing can stop Clea.

trapped. The blonde was smothered.

Shooting pains exploded on her side as Clea's fists beat a tattoo on her side. Welts shone ugly red against the blonde's alabaster skin. The conquerer's eyes shone with delight as she sensed an early victory.

Perhaps Clea's street senses were dulled in the plush settings. The animal lust for the kill wasn't there. If the scene had been a back alley instead of a penthouse, the match would have been over. But in the new surroundings, still awkard from the novelty, Clea didn't finish off her opponent. Kicking desperately, Clarisse made her escape

from Clea's overwhelming hold.

Once free, Clarisse stood back for a moment. She quickly flexed her lush body, checking if anything had been damaged too badly. The small sneer contorting her lips told everyone she could still wage war. And that she did.

Even those familiar with the blonde's accomplishments were shocked by the spectacle they witnessed next. This was her most spectacular moment. Her first move was to grab her victim by the arm. She then swung the limb high in the air, over her head, and wrenchingly twisted it behind the owner. Clea felt as if her arm were being torn from its socket. The pain made her legs weak and she crumpled to her knees.

The look of rage branding Clarisse's face horrified those who saw it. She let Clea's arm free and watched her opponent sink to the floor. With blinding speed, she grabbed Clea's long leg and dragged her around the room. The carpet burned the beauty's pink flesh. Clea pushed up with her hands so that she walked on them while being

APARTMENT WRESTLING HISTORY

(Continued from Page 53)

A savage kick by Clarisse knocks the wind out of Clea (above). Clea works on her adversary's legs (below) as the match nears the end. This was one of the most titanic battles ever witnessed in apartment wrestling.

dragged. At the same time, this agile woman twisted and turned, trying to break free. But Clarisse's hands were like a vise on her foe's calf. Clea couldn't be freed until her tormentor wanted to release the hold.

It's exhausting to be dragged quickly over a rug, hands moving at an irregular, clumsy pace. Clea's chest heaved as air became harder and harder to breathe. Sweat poured down the voluptuous body, making liquid tracks along breasts and thighs. Clarisse's face glowed cruel with victory.

Then, when she could sense her foe weakened, Clarisse let her victim fall. If Clea hoped for a surcease from her agony, the dream proved false. Clarisse leaped upon her foe, her hands clawing at the neck of Clea.

APARTMENT WRESTLING HISTORY

(Continued from Page 55)

Clea is in trouble again as Clarisse works on her hand and arm. This was Clea's first match and chances are it will not be her last. Apartment wrestling spectators were quite impressed by her, as was Dave Moll.

This is the type of battle the brunette had been used to. She had often broken free of hands trying to choke her lifeless. Clarisse didn't realize her chin lay exposed through her hands. Clea survived knowing this. There isn't much power from a punch thrown while lying down. However, Clea knew enough to roll her body into the blow, and there was an audible thud when the brunette's fist smashed her tormentor's chin. Clarisse fell backwards, not even sure what had caused the crunching sensation.

There was no time for reflection now. Clea's drive for survival had been sparked to its ultimate. Clarisse saw

something in the woman's eyes that made her take a few involuntary steps backwards. Then she shook off this primal fear and stood her ground. And waited for the attack.

Clea's body, fury coursing through her body, seemed to grow right before one's eyes. She loomed over everything like a goddess intent on destruction. It imbued the woman with an aura that could make less

sophisticated spectators fall on their knees in supplication. Clarisse saw it all and met the challenge.

Within an instant, the room seemed to explode. Clea flew at her foe, barreling her over. A spectator sitting in a wicker chair leaped out of the way. Clarisse fell across the chair, her back crashing against the veneered wicker. The shock waves of agony were still pulsating through her body when the chair turned over and the pair stumbled to the ground. Still groggy from pain, Clarisse could barely defend herself against the onslaught.

Clea was all over her foe, using her greater size to advantage. The larger woman's hands squeezed and beat at the

APARTMENT WRESTLING HISTORY

(Continued from Page 58)

The match nears the end (above) as Clea prepares to finish off Clarisse. It was superb wrestling like this (below) that enabled Clea to become a winner in her first battle.

victim's flesh. Clarisse grew groggy from the pummeling, not sure if there was any means of escape.

Oh, but did the woman try to break free. Her magnificent body tensed with desperation as she convulsively writhed beneath her conquerer's weight. Clea's body also tensed with awesome power, the muscles stretched taut in limbs and torso. This incredible spectacle, two magnificent bodies in constant motion though the movement was never more than inches, awed all who saw it. Then, when it seemed this strange battle would go on forever, the end came.

Exhausted, spent, Clarisse's body collapsed. What had an instant before seemed magnificent now lay pathetically upon the carpet. No one had to tell Clea she had won. the splendid brunette rolled off her foe and lay beside her, also exhausted. The two women lay within inches of each other, their bodies gasping for air. Moments before, they had been locked in mortal combat. Now each woman seemed in a different world.

The action was hot and heavy and it appeared that the lovely Clea would not be victorious.

Clarisse, determined to get a small victory, was the first to arise. She looked down at her conquerer, then extended a hand. The brunette took the outstretched hand silently and got to her feet. Wordlessly, the two women walked back to the separate bedrooms. Their steps, awkward from exhaustion, made it almost impossible to believe these were the same women capable of contained athletics only moments before.

Thus was Clea's introduction into apartment wrestling. No one can predict what the future holds for this singular beauty. □

about it."

Ah-hah, I thought. Perhaps Graham's disappearance was necessary. I have an old flame (why never a new one?) who works at a travel bureau in Arizona. On a hunch, I called and asked if she'd received any ticket requests from a certain Mr. Superstar Billy Graham in Paradise Valley.

"Oh, yes, a big fellow, right?" she pealed. "Well, as a matter of fact, he's been my best customer." I pressed her to explain. "Well, Mr. Graham has been flying all over the country, though he asks me to make his reservations in a different name." Excited, I asked what name he uses. "Oh, whatever, always a different one." I asked where he went. "Well, you know that's privileged information, but, let me say he has gone to Florida, New York, Virginia, and Minneapolis. Really, I shouldn't say much more."

Now why would Superstar Billy Graham be traveling to all these areas? There was no record of him wrestling in any of those territories. I made a flurry of long-distance calls to promoters and other contacts who insisted they hadn't seen Graham. All except one person.

"It's kinda funny you ask me that 'cause just the other day, I'm at Madison Square

Garden and I coulda sworn I saw Graham in sunglasses," said a New York source. "I knew it couldn't be him 'cause everyone woulda known if he was in the area. Strange, ain't it?"

Maybe not so strange. I racked my mind for some logical reason why Graham would do that. And then it hit me.

I am proposing, in complete confidence based on years on journalistic experience, that Superstar Graham has been traveling to these different areas to scout out the champions. Graham obviously is planning a comeback and

weighing which champion he has the best chance against.

Will it be Verne Gagne? Harley Race? Bob Backlund? Rick Steamboat? Ted DiBiase? These men and all other area champions must look over their shoulders.

Superstar Billy Graham is gaining on them. □

Now—enjoy a life of unbelievable riches, lasting love and constant protection with the secrets in this startling WITCH BOOK—

THE MAGIC POWER OF WITCHCRAFT

Whatever it is you need or want, Witchcraft can get it for you quickly, easily, and automatically, say these experts. You'll discover how it can bring abundant and overflowing wealth, find or bring back a lover, ward off evil influences, and much more—step-by-step in plain English, with complete easy-to-follow instructions!

Yes . . . Witchcraft! Every time you hear the word it brings with it the feelings of deep occult secrets—secrets that you would like to know so that your life can be better; so that your enemies will stop bothering you; so that serenity, love, power and comfort can be yours!

THE MAGIC POWER OF WITCHCRAFT lays bare these secrets for the first time! Do you want a bank account bursting at the seams with money? A love life that would make a sultan envious? Supreme power to crush your enemies and reward your friends? What would it be worth to you to utter a simple incantation that would cause any pain to vanish? Or say another, and immediately recover some lost object?

What would it be worth to you to fly through time and space, on astral wings, as Witches do . . . go wherever you wish . . . do whatever you wish . . . without being detected . . . watch the antics of others behind closed doors . . . hear private conversations . . . make time run forward or backward . . . read tomorrow's newspaper in a "black mirror" . . . find out what really happened in history . . . make your face old or young at will!

BRINGS AUTOMATIC ASSURED SUCCESS!

Witchcraft can bring your heart's desire! You can use it to heal someone, influence the boss to give you that raise, or make someone stop bothering you! It's easy! The easiest thing in the world! You don't have to be wealthy or super-intelligent to get started! Thousands of ordinary people all over the world are using Witchcraft Power right now!

Witches have known for centuries that people are scared of them and their powers! And rightly so! NOW YOU CAN SHARE THE SAME POWER that gives you—literally—life and death control over other persons! Is someone bothering you? No problem at all, with Magic Witchcraft. For example, there is a spell called the "Cross Not My Path" ritual, for people who are having neighbor trouble. When you use it, you know you will never again have trouble with this neighbor!

With these amazing Witchcraft secrets, other people will look up to you—in awe—you'll automatically dazzle others with your power to make things happen at your will, you'll be Master of your destiny, and never have to apologize to anyone for anything!

Whatever you want or need, whatever frustration is bothering you, Witchcraft will help you. It is not evil—nor is it Black Magic. Like electricity, it is simply a power given by nature for the use of men, to make life easier.

You'll see how to get paid without working . . . how to get expensive clothes and furs FREE . . . how to get a first-class plane seat FREE . . . how to vacation at the finest hotels, motels, pools and pleasure palaces, start living like a millionaire as Witches do!

AMAZING TECHNIQUE HAS HELPED THOUSANDS!

Witchcraft secrets like these can make you rich faster than anything else in the world! Here's how others have used them to make miracles happen in their daily lives!

You'll see how Vern, a man who likes to give a lot of expensive parties, was always short of cash until he discovered the amazing WITCH'S MONEY JAR—now all he has to do is dip in, for it brings him an endless flow of cash! Evelyn, a waitress, was always lending money to friends, and was always broke. Finally, she placed her last dollar on the table, and worked the MONEY MAGNET SPELL over it. All at once, dozens of people who had borrowed money from her, rushed to pay her back!

Hank was perpetually broke. One night he got together with some friends, and they decided to cast the MONEY SPELL. The very next day, Hank received in the mail a check for some $250 worth of insurance. (He had never heard of the company that sent the check, he was not insured with them, and had never even made a claim—but he accepted the money.) Another member of the group that used the spell, a 40-year-old secretary, received an automobile as a gift! All the other members of the group received amazing windfalls of money, as well! You'll see how Dexter, a retiree, lives RENT FREE *and* receives $200 a week at the age of 78, with a secret you'll find in this Witch Book! You'll see how Claudine, a secretary, was able to wear the finest, most expensive furs—FREE—and spend weekends at an expensive ski lodge in the mountains, where she met a wonderful man! How Ruth L., a widow—with nothing but a small pension, and a little savings—received her dream house, by using a simple 5-minute ritual on page 38 of this book!

Using the same Witchcraft secrets, YOU can achieve peace of mind and freedom from money worries for the rest of your life!

YOU CAN HEAL YOURSELF AS WITCHES DO!

Feeling sick today? Plagued by a lot of troublesome illnesses? Perhaps some relative is sick and constantly demanding your attention? Or perhaps it is even a pet that needs help? With the MAGIC POWER OF WITCHCRAFT, you can cure anything, say authors Gavin and Yvonne Frost: "In our experience . . . we have not found a single incurable disease!"

• **ANDY DISSOLVES A GALLSTONE!**—Andy M. developed gallstones. When his illness became too troublesome to ignore, he went to a doctor. Urine tests revealed that he was chronically alkaline. His body was badly out of balance. Using this Witchcraft method to restore balance to the mind and body—in a short while, X-rays showed that he had no more gallstones! Andy never again suffered the excruciating pain of passing stones!

In the same way, say Gavin and Yvonne Frost, almost all illness can be prevented. You are actually employing an ancient Witchcraft method to remove diseased tissue! Even if you do not have any belief in the results, the power will work for you!

One woman, who had been in a wheelchair for 26 years, due to polio and arthritis, used the Witchcraft healing method, and reported that she had no pain and could walk and garden again! A man reported that his son's deep 3rd degree burns miraculously healed overnight!

• **SO SIMPLE A CHILD USES IT!**—A 4-year-old girl asked if she could try to heal a man who was limping—due to a torn ligament—with this simple Witchcraft healing method. In a matter of moments, she started her chant, laying her hands on the weak ankle. The man was miraculously cured! To skeptics, this should be convincing PROOF that anyone can use it!

AMAZING POWER CAN BE YOURS!

Whether you want infinite wealth, or just a comfortable new home, financial security, fine possessions, love, companionship, new health and vigor, power to control others, secret knowledge, protection from evil, or anything else, the magic power of Witchcraft can bring it to you quickly, easily and automatically! It's the easiest thing in the world!

• **HOW TO SEE INTO THE FUTURE!**—Would you like to be able to see the future? You CAN with the magic Black Mirror you'll see how to make on page 23. All you need is some ink and a bowl of water. Then use the chant on this page, and you will be able to see many things. One man uses it to read tomorrow's newspaper. YOU can use it to check the stock market or that important horse race!

• **MAKE TIME RUN BACKWARD OR FORWARD!**—A Witch uses ancient methods to make time stand still or to run it backward or forward! To make your face look young or old at will, all you need is some morning dew, and the instructions on page 27. You can fly through time and space, on astral wings, go anywhere, do anything, with the simple method on page 126. You can visit a friend, look in on an acquaintance and see what he is doing—even appear in someone's dreams, and convince that person to do whatever you wish!

• **SECRETS OF SILENT PERSUASION!**—There is a magic handshake that Witches often use, revealed on page 62. With this secret, you can implant a thought in someone's mind! You can use this Witchcraft power to dominate others! Control your boss! Make someone love you! Leave your enemies groveling in the dust! There is even a gazing technique Witches use on page 45, for identical thoughts. With this secret, you can read your friend's mind and share his or her identical thoughts!

Factory owners kept their employees in dreaded sweatshops, because these masters knew they must not allow their workers to realize that they need not labor their lives away. Witchcraft was suppressed because it works! Not because of any "evil" in it. If it hadn't worked, no one would have worried about it. If you want to gain power, all you need is this amazing Witch Book!

By using these Witchcraft secrets, you too can change your life and gain health, wealth, someone to love—or anything else—surely, swiftly and automatically!

• **THE WITCH'S MONEY JAR!**—You'll discover the secret of the Witch's Money Jar, a mysterious jar that fills with money—whenever you want or need it! All you need is some water, pennies, and an ordinary jar or bowl! You'll be amazed at the speed with which it fills with money—a seemingly endless supply of needed cash!

• **THE WITCH'S MONEY MAGNET!**—You'll see how to magnetize a dollar bill so that it multiples! All you need to make your own Witch's Money Magnet is a dollar bill, a green candle, and the words on page 38. Once you do this, your dollar will double and keep doubling! You'll enjoy glittering luxuries, and start living like a millionaire, as Witches do!

• **THE WITCH'S BLACK MIRROR!**—Just as your TV set has been called your "window on the world," so the Black Mirror is your "window on the psychic world"—the world of the unknown. Making your own personal Black Mirror takes only a few moments and can open the way to unguessable visions. All you need is a bowl of water, some ink, and the chant on page 23. Suddenly you will see scenes from other places and times, or any scene you wish to see!
